For treatment plant

Village tries for federal grant

FRANKFORT — The Frankfort village board at its recent session voted to spend some money in an endeavor to get federal and state grants for improvement and enlargement of the sewage treatment plant. Based on estimates provided by the village engineer, Robert E. Hamilton and Associates, the village will have to spend \$8-\$10,000 on a chance to get back some \$289,000.

Of this sum \$164,628 represents a federal grant of 33 per cent of the cost of the project. The remaining \$124,718 is what the village hopes to get from the state, which is 25 per cent of the cost.

The federal government has three requirements, which must be fulfilled to receive a grant. The state hasn't exactly said "me too," Hamilton said, but the inference is there, he said, that the state will pay out as soon as the requirements are met.

Whether the federal government will pay is problematical, according to the best information Hamilton has been able to get. There are so many cities and villages after federal grants that congress has apparently had trouble keeping up the appropriation bills necessary. Hamilton feels confident the state grant will come through.

The three requirements set up by the federal Government are:

1. — Enactment of an equitable indus-

trial waste cost recovery system prior to the project being placed in operation.

2. — The preparation of a tailor-made project operation manual in sufficient detail to guide and instruct the plant superintendent and other operating personnel.

3. — The provision of necessary training and instruction to completely familiarize personnel with the operation and maintenance of the newly installed equipment, coordination of the laboratory with plant controls, and the other duties described in the operating manual.

The village board adopted a resolution covering these three points, and to take the necessary steps to follow such requirements.

Hamilton said that the first point — the enactment of an ordinance covering industrial waste could be worked out by the auditors and his office as far as costs covering treatment of wastes from industries.

In some instances industries will be required to put in their own systems to take care of wastes that would cause difficulties or damage to the village treatment plant and what surcharges would be imposed on treating wastes.

Hamilton also explained that the third point is covered by the training schools and courses attended by the plant personnel.

The one that will cost money to prepare

is the composition of the manual. There are firms that specialize in this work, Hamilton said, and he will be estimates of costs for study by the village board.

The city of Lockport recently had such a manual compiled and it cost \$8,000. It was expected that the cost would be perhaps a little higher for Frankfort as its new plant provides tertiary treatment and therefore, is more complicated than the Lockport plant which provides secondary treatment of sewage.

Work is progressing on the Frankfort plant but it is still four or five months away from completion, was Hamilton's estimate. Originally the work was to have been completed by July 1, 1972. That was the state's directive. But the deadline has been extended to December, 1973.

Frankfort was not the only municipality that was compelled by the state to improve and enlarge its sewage treatment plant and all of them had the July 1 deadline and now all of them have until a year from December to do the job.

The plant is so located and constructed that it can be enlarged to take care of increases in population up to 60,000. The capacity when the present improvement program is completed next Fall will be a population of 7,000. Eventually, there will be a trunk line sewer to serve the territory south and west of the village.

The village board also voted to have the village engineer proceed with detailed plans for extension of the water system, with a third well to be located south to serve that section which probably will remain mostly industrial.

Mayor Glenn Warning said such improvements would be done through revenue bonds and contributions from benefited industry, without cost to the taxpayers. The board wants to get an estimate of the cost.

This action was taken after William Bingham, one of the top officials of the Panduit Co., which has a plant at Tingley Park, appeared before the board to get an extension of the zoning classification given for a 4-acre tract of the Henry Hossbach farm on Laraway Road.

The board voted not to revert the property to farmland status. Panduit had the property re-zoned light industrial in 1969. After three years if no action has been taken to put land to the use for which it was re-zoned it reverts to its former classification. The village board can extend the time, however, by voting against reversion. Panduit makes electrical wiring components.

Bingham said water was a must with his company as they used sprinkler systems in their plants. The property owned by Panduit is about half a mile west of Center Road.

No annexation decision

Planners still studying Leavitt

NEW LENOX — The Leavitt and Sons planned unit development at New Lenox is still a highly controversial subject anytime the village board or the plan commission meets, and this past week was no different.

Lewis Loebe, chairman of the plan commission which met May 1 reported to the village board last Wednesday night that the Leavitt matter was still being investigated.

Superintendent Joe Kruzich, Superintendent of Lincoln-Way High School district, suggested to the village board that if it made any changes in the pre-annexation agreement he would like to make sure that high school officials had an opportunity to talk with the developers about cash contributions to the school.

Village Attorney Wayne Johnson said the village could make no changes in the pre-annexation agreement Kruzich asked board members that if representative of Leavitt and Sons, came before the board for any purpose, that he be asked to talk to Kruzich. Kruzich said that a Leavitt representative had said he

would come to talk with him but that so far he has not done so.

"I want to ask you a question," Kruzich told the village board. "Does this board have a letter from me to the effect that the Lincoln-Way district was not interested in getting any contributions from Leavitt and Sons, or did any member of this board receive such a letter from me?" He was answered in the negative.

Kruzich went on to say that a Leavitt representative had told the plan commission that Kruzich had written a member of the plan commission to say that the high school did not want or need any contributions.

"I asked him to produce the letter," Kruzich said, "but he couldn't, and I asked the plan commission if it or any of its members had received such a letter from me, and was given a negative answer."

Kruzich said the high school was in need of contributions from housing developers because the more students there are the more rooms the high school will have to build. It needs contributions, Kruzich said, for building.

In Leavitt's case the high school is seeking \$40 a living unit, or \$38,000 for the 950 proposed units for the 91 acre site south and west of the shopping center on U.S. 30. A contribution was made to the grade school district but none to the high school.

Village Attorney Johnson said he had been conferring with the attorneys for the villages of Mokena, Frankfort and Manhattan on the drafting of an ordin-

ance covering contributions to school districts by developers. The measures will be identical in all respects, he said, and will set up a formula on which such contributions are made. Johnson said that bills sponsored by State Senator Harris Fawell providing for such contributions have been passed by the Senate and are now in the House at Springfield.

Johnson gave the New Lenox board members copies of the proposed ordinance to study before it is brought up for passage probably, May 17.

Robert Hanehy, spokesman of a group that has been urging further investigation before a final agreement is made with Leavitt and Sons, read a letter addressed to the village board and gave a copy to each member. He suggested that the financial impact of such a development on the village be given careful study.

"We believe," the letter reads in part, "... we cannot expect businessmen who unselfishly contribute their time and talents to the community to pass on the correctness and desirability of date, as it effects the village, when supplied by the professional staff of a multi-million dollar developer."

"We believe, there is one aspect of this development which has not been properly evaluated for the village by a competent, unbiased authority — we refer to the financial aspect. It is only reasonable to expect the projected rapid increase in village population from 2,850 to over 6,400 will cause an impact on village finance."

Although there will be certain compensatory income to offset the rapid increase in expense to take care of garbage collection, police protection, lighting, recreation, administration and additional facilities, it should be remembered a very substantial portion of the tax benefits which accrue to the village are not available when needed, as example the property tax lag which is estimated as up to two years after 'move-in' by the developer.

"From a practical standpoint we must all recognize the village has a commitment to the developer, which must be met. Nevertheless, there are certain controls with respect to population and the rapidity of development, which have been very wisely included in the contract by village authorities."

"Since the developer has not yet received approval of the Planned Unit Development identified as Phase I, and there are two additional phases proposed for a later date, it would seem there is still time to take advantage of the information which would be provided by a professional financial impact study, both as guide lines for this development, and for others which are now being considered..."

Members of the village board indicated they thought this suggestion was a good one and a motion was adopted to authorize Robert Thornton, of Grumley, Dicke, Thornton & Clark, a CPA firm retained as auditors for the village, to make such a study and deliver his findings to the plan commission.

Summit Hill voters to decide bond issue

SUMMIT HILL — Voters of Summit Hill School District 161 will have an opportunity to vote this Saturday on a bond issue and a proposed increase in the educational fund tax rate.

Persons living south of St. Francis Road will vote at Ann Rutledge School, 80th Avenue and U.S. 30. Lincoln Estates. Those who live north of St. Francis Road will cast their ballots at Arbury Hills School, Magnolia and Beech-nut Streets. The polls will open at noon and close at 7 p.m.

Summit Hill District takes in Lincoln Estates and Arbury Hills and now a new development is to be added — Frankfort Square, a Hoffman-Rosener subdivision at U.S. 30 and Harlem Avenue.

The developers have given the district \$125,000 to build a school. This amount, it was said, will be enough to build one large room. This room will be the first unit of the school to serve Frankfort Square.

As money becomes available the district will add to the school. It is asking approval of a \$745,000 bond issue for this and other improvements.

The school board is also asking for an increase of 25 cents in the educational fund tax rate. That would raise

it to \$1.42 from \$1.17. The educational fund tax is used to pay salaries, and purchase supplies and materials necessary for the educational program.

The valuation of the district was \$8,024,067. Superintendent Aldo N. Fanti said the school board will issue the bonds, if approved, only as needed and if the valuation permits. Issuance of bonds is limited to five per cent of the assessed valuation. As valuations increase or outstanding bonds are paid off more of the new issue can be sold, it was explained.

According to school officials the district can collect about \$98,000 if every property owner pays his taxes. The district hopes to get about \$300,000 through state aid this year.

Ann Rutledge School is drawing 40 pupils from Frankfort Square this year. In all the Lincoln Estates school has an enrollment of 181.

The enrollment at Arbury Hills School is 627. The school to be built at Frankfort Square will house pupils from kindergarten through fifth grade. Sixth graders will go to Ann Rutledge, Arbury Hills School is to become a junior high school.

Party, dance dates set

MOKENA — The Mokena Volunteer Fire Department is asking area residents to mark two dates on their calendars — May 13 and May 20, those dates marking the 27th anniversary of the department's pinocle party and dance. The affairs will be held in the Veterans of Foreign Wars Hall, 19852 Wolf Rd.

The pinocle party is this Saturday night, May 13, starting at 8:00. Prizes will be awarded. There also will be prizes at the dance which follows on the following Saturday, May 20. Flowers will be given to the women at the dance. Dancing is to begin at 9 p.m.

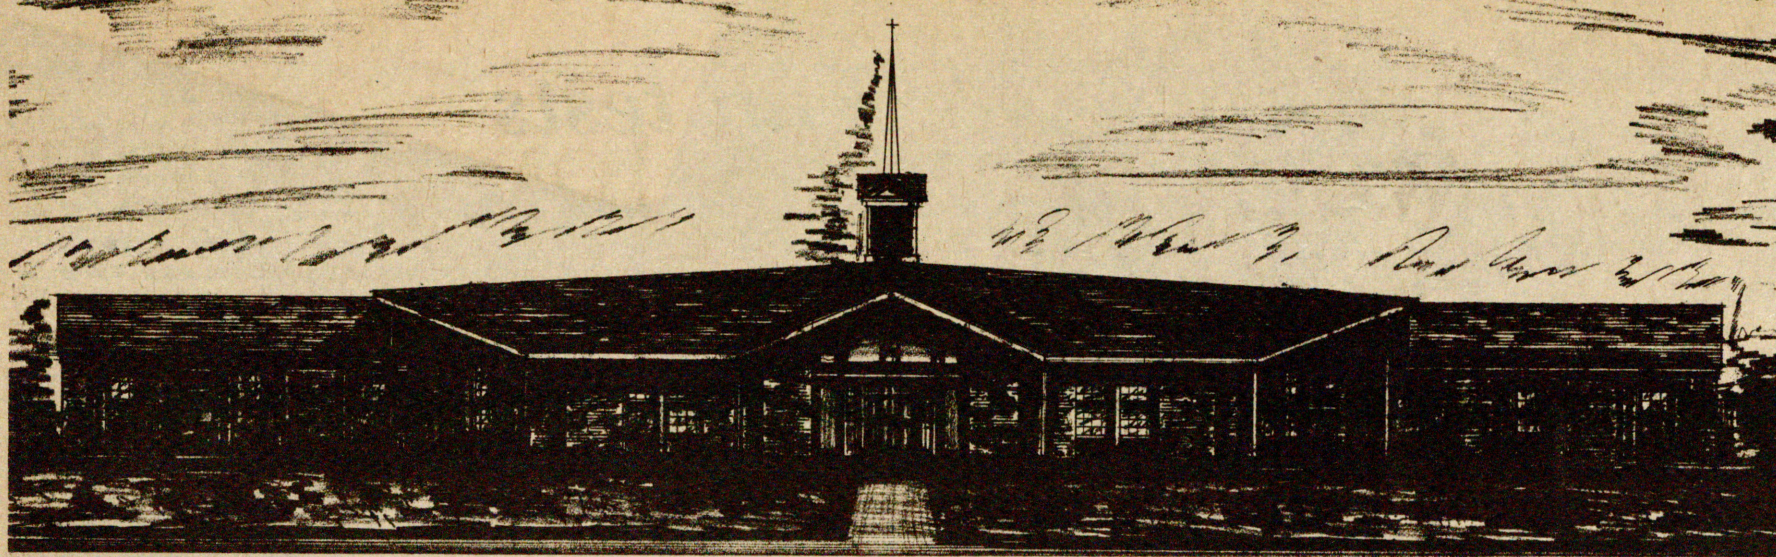

"Paris in the Springtime" is to be the theme of the dance. Tickets are \$2.50 a person or \$5 a couple, and they are good for both nights. Persons who did not receive tickets through the mail can purchase them at the door, according to those in charge.

The Mokena fire department has been in existence for 55 years. Members put in many hours at drill and in the study of fire fighting techniques. They receive no compensation for their efforts.

Proceeds from the dance will be used in adding to the equipment of the department.

Blood bank at VFW

MOKENA — The Wm. Martin VFW Post No. 725 is having the Beverly Blood Bank at the Post Home, 19852 Wolf Road, Mokena, starting at 9 a.m. Saturday, May 13. Anyone wishing to join the Blood Bank should call Al Ernsting at 479-9575 or Tony Schram at 479-9342 for an appointment.

The congregation of the Orland Park Church of the Nazarene expect to be in this new home sometime late this fall. The church will be located at 94th Avenue and 147th Street. It will be placed diagonally across the corner lot, facing the southwest.

Excuses given

Trustees fail to make meeting

WESTHAVEN — Although there was no regular board meeting held in Westhaven Saturday, May 6th, due to the lack of a quorum (only one Village Trustee Donald Kellogg was present), a heated meeting did take place. Such comments as "throw the trustees out," and "the village attorney and the trustees must have cooked this up," could be heard.

President Curtis Whitaker and clerk Charles Short were in attendance with Kellogg. Whitaker asked one of the village residents present to phone all the missing trustees to find out if they planned to attend the meeting. As each member of the board was called, the resident relayed their message to Village President Whitaker. Trustee Ralph Aldrich's wife stated that her husband was working. Trustee Diane Bartholmey said she had a dental appointment. Trustee Meredith Macki had to do some shopping. Trustee Charles Downey said he could not attend. Trustee John Miller could not be contacted.

Representatives of Tekton Corp., home builder, were also in attendance. Among those attending the meeting from Tekton were Emery Harman, vice president of construction, Robert Russo, vice president of marketing and David Zajicek, attorney for Tekton. Zajicek explained that the main reason they (Tekton), were at the meeting was that the builder has been virtually stopped in all its new construction. Dennis Wark new building inspector who replaced Don McRenolds, has placed stop orders on Tekton homes under construction, according to Wark the stop orders cannot be lifted until there is a joint vote on the mat-

ter by the village board and president. Attorney Zajicek stated he had conferred with Village Attorney Ronald Glink, and they had both concluded that the builder, Tekton, has the right according to the Village Ordinances, to go in and correct the deficiencies that have resulted in the stop orders. Zajicek said Tekton has not been given the right to eliminate the problem.

President Whitaker stated there are many building problems, and it is unfortunate we cannot have the Village attorney and trustees here today. "We want to go ahead with our building program," Whitaker said. "There is a tremendous amount of resentment with Tekton and other contractors." "We respect the company (Tekton), but we do not have control of the building and zoning, and we can't control our village in the proper manner. Whitaker also complained that he doesn't have records from the last building inspector, "Don McRenolds, who Dennis Wark re-

placed several weeks ago.

Robert Russo, vice president of marketing for Tekton, stated that we (Tekton) cannot continue this dialogue with out a quorum of the Village Board present. Russo continued, "a letter was written by Tekton to all village board members, and the village president stating that Tekton wishes to work with all the village officials of Westhaven. We are interested in co-operating with the people of the Village, we (Tekton) want to set up another meeting, we don't want to discuss the problem today.

Whitaker remarked "it's time to look the bull right in the eye. We don't want to run out a contractor stated Whitaker.

Zajicek, attorney for Tekton expressed the desire to pay all expenses incurred to hold a special meeting, so the builder can get relief from their situation. Zajicek also stated that Tekton will have to go ahead Monday May 8th and correct the situation that caused the stop orders to be placed. Whitaker replied, then we will stop you. Attorney Zajicek then stated we will go to court.

Sertoma treasurer wins recognition

TINLEY PARK — Dean Tramutolo treasurer of the Tinley Park Sertoma Club was recently presented a Sertoma International G.E.M. Award at a regular club meeting. Tramutolo was given this recognition for outstanding and enthusiastic work on Sertoma projects. The presentation was made by the Chapter President, Richard Kelly, Jr.

Township offers pamphlet

BREMEN TOWNSHIP — The Bremen Township Board of Auditors have put together and published a pamphlet titled "Know Your Township Government," which has been delivered to each home and high school in Bremen Township.

Extra copies may be obtained by con-

tacting William Clark, town clerk, at his office, 16361 S. Kedzie Parkway, or by phone, 333-9532.

Members of Bremen Township Government said they would also be available to appear before civic groups or school classes to answer any questions concerning township government.

Chamber honors outgoing president

TINLEY PARK — Henry Bettenhausen, outgoing president of the Chamber of Commerce, was praised for his direction of the business group and given a standing ovation by the capacity crowd during the annual installation dinner.

Richard Bell, chamber vice president, recounted the efforts of the hardware dealer in building the chamber during Bettenhausen's two years at the head of the 110-member organization. The meeting was held Wednesday, April 26, at Jardine's Restaurant.

Incoming president Elmer Siemsen was unable to attend due to illness in his family. Bell directed the meeting in Siemsen's absence.

New officers of the chamber are: Elmer Siemsen, president; Richard Bell and Dr. Norman Patterson, vice presidents; Mrs. Helen Bunegar, secretary-treasurer.

New board members, three-year terms: James Hirsch of Hirsch Memorial Chapel; Lyle Nelson, attorney; Leo G. (Jerry) Piper of the Tinley Park Times Herald; Walter Wille of INR Beatty Lumber Co.

Returning board members, two years to serve: Robert Kaczala of Lake Shore Savings & Loan; Dennis Marotta of Culligan Water Conditioning Co.; Robert Misur of Dog 'N Suds; Carl Vandenberg of Hickey & Vandenberg Funeral Home.

Returning board members, one year to serve: William Bergman of Bergman Paint & Wallpaper Stores; Jerry Hug of Sender

Realty Corporation; Howard Mager of Bremen Bank & Trust Co.; and Harold Teehan of Teehan Liquors.

A brief meeting of the new board was held Tuesday, May 2, to make additional plans for the July 25 annual golf outing to be held at Cog Hill Golf Club, rural Lemont. The regular board meeting will be held the final Thursday of each month at 8 a.m. for breakfast at Jardine's Restaurant.

Speaking at the installation meeting Tinley Park Police Chief Kenneth O'Brien marked his first anniversary at the head of the 23-man force, stating, "It has worked out very good for me and my family." O'Brien came to the Tinley Park department from the Oak Lawn Police Department.

The chief explained that his men had patrolled more than 243,000 miles during 1971 in the department's five squad cars. The force is comprised of 23 policemen, four radio operators and Chief O'Brien.

He had high commendations for the Tinley Park village government, pointing out the "fine relationships" among the police, fire and public works departments.

In defending the department's patrolling of the new divided Harlem Avenue, Chief O'Brien emphasized that his men had handed out only four tickets to speeders who were under 50 mph. The speed limit on a portion of Harlem in the village limits is 40 mph.

Chief O'Brien said his department is "open to all" and invited the chamber members and their guests to visit the village hall and his facilities.

Edward J. Gregory, chairman of the village's Industrial and Commercial Commission, explained to the chamber meeting that his group's responsibility was to assist business activity in the community and to create "closer relations between the village government and village."

He noted that the commission was currently updating the information on Tinley Park's industrial and business communities. He also pointed out that the commission is making a monthly report in the HERALD.

Michael LaRue of Jack Jacobs & Co. related details of the company's Bremen-Towne Mall shopping complex which he said would be open "before the holiday shopping season."

The developer said he expects the mall to "reinforce Tinley Park as a shopping center . . . We hope to develop Tinley Park as the retail center for the entire southwest area." He said the development of the mall would help the retailers of the entire community.

In Dist. 140

Safety work receives top priority

TINLEY PARK — School district 140 has determined a list of priorities for Kirby and Fernway School life safety programs.

The priorities were decided upon last week following a discussion between the architect who will start the priority work, the school board building committee and superintendent John Banas.

At one point last year Kirby faced the threat of being closed because the school district had shown a lack of progress in doing the work required under the states revised life safety code.

In recent months the district has been moving ahead with life safety work at the school, as much as it can with the funds it has. The district had already received one extension to complete life safety work at Kirby and state life safety officials had made it known last fall that the school district would have to show better progress on the life safety work, before there was any consideration of a further extension to complete the work.

The district expects to have an estimated \$14,400 available in November to be used for life safety work. Approximately \$22,000 is needed to complete all of the life safety program.

The priorities for the schools are: Fire detection unit, Fire alarm system, emergency lighting, corridor exhaust fan, boiler control system, gymnasium roof top furnace and central exhaust system.

The priorities are basically the same for Kirby and Fernway school, although Fernway has until 1975 to meet the code requirements. Tinley Heights third school in the district meets all present life safety requirements.

David Liedtke, president of the board indicated that "some of the life safety money might also be used at Tinley Heights because, while it meets the standards now the life safety is always changing," Liedtke said.

At a recent school board meeting su-

perintendent Banas reported that the furnace at Kirby is not working, and suggested that the board consider purchasing a new furnace since repairs on the old one would cost \$1,200. Banas told the board that the boiler at Fernway is also in need of repair.

The district, pressed for funds as the result of continued defeat of referendums. As a result of a suggestion at the last meeting by board member Herb Walker the board is looking in to the possible sale of five lots contiguous to Kirby school. The legality of selling the lots is being investigated.

In other matters involving finances the board has decided to hire 17 additional teachers for the 1972-73 school year. Included in the additional teachers will be one physical education teacher, two head teachers for Tinley Heights, and Fernway, an assistant principal for Kirby, a learning disability teacher, and library and clerical personnel.

A new textbook series to standardize the science curriculum will be purchased in the area of an estimated cost of \$5,058. Social study books will cost an estimated \$8,269 and reading books \$6,000.

Church annexation gets okay

ORLAND PARK — Plans for the annexation of the Nazarene Church property at 147th Street and 94th Avenue were accepted by the Orland Park Planning Commission on May 2.

Five acres of land owned by Danied Scholz and most of which was sold to the church was surrounded by the Village. Scholz still owns the southeast corner of the plat at 94th & Fairway Drive.

The church plans to build a parsonage on the southeast end of the land, and a church building complex on the northeast corner of 147th and 94th Avenue.

Under terms of the annexation a strip of land along Fairway Drive needed to be straightened to 94th Avenue, and a 50 foot swath from Fairway to 147th on the east side of 94th Avenue would be dedicated to the Village. A letter of intent from the pastor Rev. Bob Lothenore to the Village was requested.

Pastor Bob Lothenore said the former church buildings at 143rd & Ravinia were sold to Kaffel and Freeman, owners of the Cone Shop in Frankfort.

Student Scene

ORLAND PARK — Al Fial, 14507 Highland Ave., is among 38 Aurora College students named to new student-faculty curriculum committees.

Fial, a junior, is a 1969 graduate of Carl Sandburg High School. He is the son of Mr. and Mrs. Fred Fial.

Aurora will introduce an innovative, new curriculum this fall. Features are increased faculty advisement, programmed enrichment activities and opportunity to earn a degree in three years.

On second thought

What everybody talks about

By Glenn Logan

When people talk about changes since the turn of the century the list is a long one. Always included are the automobile, wireless telegraphy, radio, television, a national system of highways, computers and space exploration. The weather, however, which is always with us gets little mention among the many changes the years have wrought.

Oh, the weather gets mentioned, of course, usually in a profane sort of way because no one is ever satisfied with the kind that is on tap. What I mean is that the pundits and the serious writers dwell a lot on other changes and what they have meant or possibly will mean to society, the economy, motherhood or the U.S. Supreme Court (be sure the S in supreme and the C in court are upper case or you will have to genuflect twice) but they don't ponder much about weather changes.

There are some, of course, that say

the weather hasn't changed, that it is the same as when grandpa, or great-grandpa or his father was a boy.

This department doesn't hold with that. It believes there have been changes. There was a time — in these latitudes — when there were four seasons — spring, summer, autumn and winter. Now for the most part there are just two — winter and summer, with a short interlude following summer when there are days that seem almost springlike and there are days that remind one of fall.

Spring apparently tagged along with Yellow when Irium came to the aid of poor Miriam. Whether there is any scientific basis or official statistics to show for it it certainly seems the winters are getting longer. On the other hand it could be like the words in a song that was sung back in the 1920's... the breeze ain't hitting' you, you're just getting' old....

Looking at it one way hasn't been much change in the weather. It still gets cold, it still gets hot. There is still hail, sleet, snow and rain. It seems though that we don't have these day long or two-day rains, these gentle, ground soaking rains. Rains are no longer leisurely. They have taken on the modern tempo. Hurry up, hurry up, let's get it over with. That is today's rains for you. They rush down in sheets, torrents, real gully washers. Showers the weatherman calls them.

An inch or more of rain may fall in an hour, or less than an hour. The water doesn't have time to soak into the ground. There's so much of it and it comes down so hard that it packs the earth and goes running off to cause creeks to rise or sewers to back up. But there is no use to fret about rain patterns.

This spring (?) we had a couple of days when it rained, hailed, thundered, lightning, and snowed and the sun shone. Mother Nature apparently has her moods and some days she just can't make up her mind what to do.

This department wishes that the old girl would settle down and not jump around so much. Take tornadoes for example. There was a time when few twisters visited this north central section, including Illinois, and only read about in New England and Florida. Florida and the whole Atlantic seaboard, including the New England states had their hurricanes. But tornadoes — or cyclones as I used to hear them called — stuck pretty well to the deep south, Arkansas, Oklahoma, bits of Texas, Kansas and Missouri, with occasional flings in Iowa.

Before coming to the Great State of Illinois, to borrow from political speakers, my years were spent in Missouri, Kansas and Oklahoma, with forays into Arkansas. That was cyclone country, and one became sensitive to sultry stillness, with mountainous thunderheads piling up in the sky.

I remember when I first came to Illinois and encountered such a day. It made me uneasy but the people around me did not seem concerned. "It feels like cyclone weather," I remarked, and those who heard looked somewhat puzzled.

"Just a thunderstorm," someone explained. "We don't have cyclones in Illinois."

Sure enough, it was just a thunderstorm but since then, especially in recent years there have been a lot of twisters coming out of these thundermasses in Illinois.

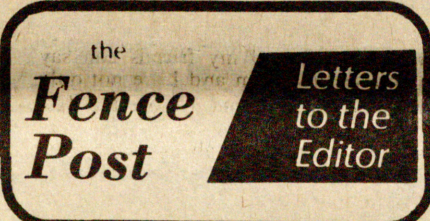

Seems like few weeks go by in the spring and summer now in Illinois when TV or radio announcers are not alerting people that "severe thunderstorms" are on the way and a "tornado watch" is given for such and such counties or portions of the state. Sometimes "tornado warnings" are issued but usually when funnel clouds appear not time is left for warning.

Some contend there are no more tornadoes now than there ever was.

It is just that communication is better than it was in former years. The federal weather service has a bureau set up at Kansas City that is central receiving point for all news of twisters. There are hundreds, perhaps thousands of observers in the country who watch for the appearance of the tell-tale cloud that heralds the approach of a tornado. Some blow themselves out on open land; some go roaring and rumbling overhead and never touch down.

Those who have seen a funnel splintering buildings and sucking up debris to spew out further on will remember what they look like. That is the best place for the observer to be is at a distance, behind or at right angle to such a cloud.

Whether there are more tornadoes or we just hear about them more frequently really makes little difference. We have them. One thing to be said about them, they take one's mind off of taxes.

Editor:

On April 22, the Orland Park Music Parents held their annual Pancake Breakfast. They expected a large crowd and the turnout was overwhelming. They served an estimated 1500 people. They used 210 lbs. of pancake mix, 270 lbs. of sausage, 50 gallons of orange juice, 15 gallons of syrup and over 1500 cups of coffee.

I would like to thank all the people who made this a success and in particular all the parents and children that worked so hard. I would like to apologize to all the people that had to wait so long for service. We started serving at 6:45 in the morning and at 10 our pancake production just could not get caught up.

We appreciate the patience you had with us and invite you back next year. Plans are already under way to have double the amount of grills and a new and improved system of service. The children that served were from 10 - 13 years old and filled with the best intentions for serving everyone at once.

To exclude the children from this function would be disappointing to them. With the new system we can still use them and improve the service. We will look forward to seeing everyone next year.

JOE CISTARO

Two seek Jaycee post

TINLEY PARK — Robert Rickerson and Don Riordan are running for the office of president of the Tinley Park Jaycees. The election will be held May 11 at 8 p.m. at Bulldog Hall.

Rickerson is presently Jaycee administrative vice president, and Riordan is presently internal vice president. The president will be elected to a one year term.

Rickerson has been a member of the Jay-

of the fall festival annual carnival, Quasiqui Centennial Parade Chairman, and a member of the board of zoning appeals.

Rickerson is employed by Illinois Bell where he has worked for 16 years. He lives at 6741 W. 167th pl with his wife Annette and two children, Laurie and Ricky.

Rickerson says he plans to continue community involvement through leadership training, an important Jaycee concept.

Don Riordan since joining the Jaycees has been actively involved in all areas of Jaycee involvement and has served on the board of directors for the past two years.

As Internal Vice-President, Don has been responsible for the chapter management and individual development programming for the Jaycees as well as the Internal operation of the chapter. His portfolio also includes membership recruiting, leadership training for Jaycees, Speak-Up program, social functions, orientations and activation programs.

He has received many Jaycee Awards which include, Jaycee of the Month, Spoke, Spark Plug, Speak-Up, Active Jaycee, Ambassador Award and Keyman.

He recently was selected to serve as one of the judges at the Jaycee Tri-State Record and Recognition Competition held in Rockford, Ill. in April.

Local Jaycee chapters from a three state area submitted records of projects conducted in their local communities.

DON

RIORDAN

Entries were judged for their contributions to their communities.

Don stated that Tinley Park is in a period of rapid expansion and growth and one of his goals as president will be to maximize the Jaycees ability to respond to the growing needs of the people and community of Tinley Park, through action program that will provide a lasting contribution to the village.

Don and his wife Sandy have been residents of Tinley Park for the last five years and have two sons, Danny, 7, and Jimmy, 3.

He is employed by Bimba Manufacturing Co. as Manager of the Special Equipment Division.

Library district vote

ORLAND PARK — Saturday, June 3, has been set as the date for a special election to determine the future of a library district for this community and surrounding area.

The polls will be open from 9 a.m. until 7 p.m. in the six precincts described in a legal notice published on page 17 of this issue of the HERALD. A map accompanying the legal notice outlines the bound-

aries of the precincts and locates the six polling places.

The polling places are: Precinct 1, Orland Park School; Precinct 2, Municipal Building No. 2, 15051 S. West St.; Precinct 3, Tektron Model Home, 15901 Haven Ave.; Westhaven; Precinct 4, Carl Sandburg High School; Precinct 5, Doctor School, 159th Street and 113th Court; Precinct 6, Wayne Mraz residence, 13607 85th Ave., Villa West.

Urges 'Yes' vote

Passage of the May 13 referendum in Summit Hill District 161 is a vital issue to the teachers of that district according to their spokesman Robert Remko. In announcing teacher support of the referendum, Remko discussed why teacher feeling runs so high. "When you consider increasing student enrollment, the thought that classroom space will not also increase threatens our effectiveness as teachers." He said residents of the district will be asked for .25 increase in taxes plus authorization

tion for the board to use its remaining bonding power.

Supt. Aldo Fanti states this will give the district the necessary funds to operate the existing two schools and to complete a third building scheduled for a September opening. The district will then be placed in the position to begin plans for a junior high school.

District 230 votes music change

ORLAND PARK — Music was in the air Monday night at the school district 230 board meeting. The board, after a lengthy discussion approved major music courses at Sandburg and Stagg High Schools as a fifth course, with a full credit being given toward graduation.

Only members of the bands, orchestra, and choirs would qualify for the full credit, which could be used as a fifth subject for graduation.

In the present curriculum music is an elective subject which grants a half credit. The half credit cannot be used for graduation.

The recommendation was made by Frank Liston, of Stagg High School and was based on a recommendation by the Stagg curriculum committee.

Board member Patrick Henry questioned the granting of a full credit for the music courses to members of the music groups, and not to the entire student body.

Milton Potter band director at Sandburg band urged approval of the recommendation by the curriculum committee. The board after additional discussion in regards to cost, of the program and who would be eligible voted 6-1 in favor of the policy. Board member Harwood Stellwagen casting the only no vote. The new policy will go into effect in the 1972-73 school year.

In other business the board: Heard superintendent William Fisher report that the recent budget was within one percent of both the estimated receipts and expenditures that the board had estimated for the present school year.

Went into executive session to discuss the suspension hearing of a student Kevin Schefdore. The board decided to readmit Schefdore to school under academic and conduct probation.

Accepted a bid of \$89,516.13 from Hawkinson Ford for the purchase of 11 buses, and approved an offer of \$3,000 for a trade in on five buses.

Heard a recommendation from Superintendent Fisher on the board policy toward hiring candidates for teaching positions who are graduates of Stagg or Sandburg. Fisher recommended that the most qualified person be hired for a position, regardless of whether the person is a local and graduate of the school district.

The board agreed that if the qualifications of two candidates are equal, and one is a local person and graduate of the district the local person should be given preference in filling the position. District 230 will ask district 135, 117, 118 and 140 to participate on the committee.

The board approved an agreement with the Illinois School Building Commission to pay rent in the amount of \$200,000 for the period beginning July 1, 1972, and ending June 30, 1973 for Sandburg High School.

Under a new policy set up by the Illinois High School Association governing body for most of the high school athletic programs in the state, the board approved continued membership in the IHSA and to abide by the association rules and regulations.

Approved the hiring of seven new teachers for the 1972-73 school year. The hiring of an eighth teacher Charles Harnish, a physical education teacher and coach was tabled for future consideration.

Board member Fred Mulhausen questioned the hiring of Harnish, who is presently teaching in the Iowa School system and had previously taught PE and coached at Sandburg, and now has asked to return to Sandburg.

Fisher recommended the hiring of Harnish and told the board that he had a good record when he was at Sandburg.

The objection by some board members to the hiring of Harnish seemed to revolve around his \$13,570 salary and some doubt whether he would remain at the school after having left once to teach in Iowa.

A similar policy of hiring the best person for the job will also be applied to employing husband and wife teaching teams.

Fisher announced that the present enrollment for summer school was 1,008, and told the board based on previous experience that figure would probably increase by 25 percent.

The last day of school for the 1971-72 school year will be June 7. The new school calendar for 1972-73 was approved with a change in the Easter Holiday as recommended by Fisher.

The Easter Holiday will be the week prior to Easter next year instead of the week after Easter.

The board approved a recommendation by Fisher to take the lead in forming a committee composed of school district in the area to make recommendations to develop a policy on the issue of public schools providing busing for Parochial students. A case involving the transportation of Parochial school students is being appealed to the supreme court.

Mrs. Dorene Crewe was named to represent District 230 on the committee, with Fisher and other superintendents as ex-officio members of the committee.

Fisher reported on the status of pending bills in the legislature involving the school aid formula, and indicated he hoped to see an aid formula program which would grant full parity.

Kids earn spurs as gardeners

By Gertrude Gallagher

ORLAND PARK — Parents of about 250 Orland children will have experienced gardeners at their beck and call this Spring.

Last Wednesday, May 3, saw a mass "plant-in" by fifth grade students at the Park School, 143rd Street and West Avenue.

According to Principal Robert Blaine the children planted over 1000 plants of crowns vetch as ground cover for a bare hill to the rear of the school.

Blaine said that last Spring the 4th and

5th grade classes conducted a paper drive to obtain money to buy the plants. The paper drive and "plant-in" were encouraged by science teachers Mrs. Kathy Clark and Mrs. Beverly Palmer in the teaching of an ecology unit.

The school is surrounded by low land over which McGinnis Slough often encroaches. The Principal said each summer over 100 loads of fill are used to reclaim land. During the year fill is often dumped in the rear of the school to help raise the land level.

According to Blaine the playground on

the west side of the school was lowland and dirt was taken from a small hill in the rear to fill the playground years ago. Nothing was done with the bare hill which continued to wash dirt onto the playground during rains.

It was this barren hill which the children decided to plant with the ground cover.

They chose crowns vetch after receiving a recommendation from the Illinois Extension Service branch in Tinley Park. Plants were obtained from a nursery in Ohio at a 25% discount.

Now the children are enthusiastically engaged in watering the plants. Blaine says they use recess and part of lunch periods as well as science periods when needed. "We have an awful lot of wet kids," he mused.

Fifth graders at the Park School are doing their bit to improve the environment by the planting of crowns vetch as groundcover. This will hopefully prevent further erosion of a hill behind the school by overflow from McGinnis Slough.

Dinner tickets available

PARK FOREST — Tickets are still available for the testimonial dinner honoring State Representative Anthony Scariano (D., Park Forest) to be held Saturday, May 20, at the VFW Hall in Chicago Heights.

Principal speaker at the dinner will be Ralph Nader, America's foremost consumer advocate, and master of ceremonies will be Studs Terkel, well-known author and WFMT radio interviewer.

The seven-course Italian dinner will be-

without being selfish, makes her to me, something very special.

Janet Driskell, age 13 1/2,
7130 W. 176th St.,
Tinley Park

Dear Editor:

My mom is very special to me in many, many ways. Some of them are very, very dear to my heart and will treasure them. My mom takes care of me when I'm sick and likes it when we don't have to go to school. My mommy loves me with all her heart. Mom washes my clothes, cooks my food and has a big job of handling 20 little brownies. She is a brownie leader. My mom takes very good care of my sisters and I and my dad. She does a very good job of cooking and changing are beds. My mom babysits my 3 month old cousin and 5 year old cousin. My mom loves me and I love her. We love each other and like to work together. Thanks.

Leslie Manhart
Age 10
20048 Scott St.
Mokena

Dear Sirs:

I am writing to tell you why my mom is so very special. Just today she said I could not have a kitten. It broke my heart, but it was for my own good. She spoils me! Around here every "no" is for my own good. She can tell when I am fed up. She knows how I feel, all the time. I love her very much. She's well, she's um "Groovy"! I think my mom is a very special person whom I shall always hold a space for her in my heart. And as I grow older I will understand her much, much better.

P. S. I was wondering, my mom's birthday is on May 19, could you possibly put in a small article saying: Today, (Mrs.) Shirley Garrigan is celebrating her 27th birthday. Congratulations! Please?

Leslie Garrigan
317 Jonquil Lane
Frankfort

Why my mother is so special to me:

Every child feels that their mother is the best, and in turn, know that my mother is very special. I don't agree with everything she says or does, but she means so much to me, that I don't even think about that. She works very hard every day and does anything for my dad, my brothers, and I, and usually that's a lot. Between working and taking us places she does all of the housework. Nobody ever realizes why she is so tired, including myself. For fourteen years, I've taken it for granted that my mother is around to work and to help me. Very seldom have I extended a hand to help her, yet I get mad when she is too tired to take me anywhere. Now I am turning the corner and realizing that my mother has been around to help me through my life and now before it is much too late, I must show her how much she means to me, why she is so special. So starting today, and lasting long after Mother's Day, I will help out my mother in every way possible. Maybe my mother has never noticed what she meant to me because I have never let a part of love that is needed show, but from now on she will stand out in front of everyone.

Linda Wilson
Age 14
14915 Hopkins Court
Orland Park

for her and reading this over it seems so inadequate. All I can say is I love her very, very much. Thank you.

Kathy Hess, age 15,
308 Stuart Road,
Lockport.

Dear Reporter:

I think my mom is the best mom in the whole world (to me). She has a sense of humor (laughs when I tell her a corny joke). She is considerate (when I tell her who I like she doesn't tell). She kids around (play fights). I love her.

Jan Penningtons, age 12,
338 Osage St., Park Forest

(Editor's note: Jan included several original drawings to illustrate her letter)

Why my mother is something special to me.

My mother is something special to me because she is kind, considerate and understanding. She is very busy with what she says holding (2) full time jobs. That is she works 8 hours full time as a nurse at the Tinley Park Mental Health Center, and then comes home to do the daily chores such as cooking, washing, cleaning house and grocery shopping! I know she is very tired at the end of the day, as she says it is "brain consuming time," when you have two jobs. She says that she would like to start going back to Sunday School and Church with me, but she feels at this time that her patients need her too! Her understanding, love and devotion to others, at work and the ability to share it

Dear Sirs:

My mother is something very special to me and not many of my friends can say that. You see my mom and I are not only mother and daughter but we are the best of friends. She has always been very understanding and has always had time for me, even with my three older brothers around. We joke around a lot because we understand each other but when it comes to being a mother she's the best.

My mom is not only special to me but she teaches at Lockport Special Education and is very special to her 15 students. It is really something to watch her with the kids. She loves them and you never realize how lucky you are to have someone like her love you.

I can't really put into words what I feel

In our church we have a mother-daughter banquet and she buys us tickets. Us is meaning my twin and I. She and my dad work full-time (she is my mom). Now we do more things we couldn't do before.

My mom is really O.K. although she works and that means more work for us. But that's O.K. because we do get a good allowance and we have to know how to do things like that.

She takes care of us when we're sick and since my twin and I have braces she has to get off work 2 hours and take us to the dentist very often. End.

P.S. I am 10 years old.

Marcia Beth Lamb,
1030 Kim Place,
Lemont

Why my mom is special to me:

My mom is special to me because God chose her for me. I share her with a sister and five brothers yet she always manages to find time for me. To help me with school work or with different problems. She tries to get involved in whatever I am active in. . . like becoming a volunteer

My Special Mother:

The reason why I think my mom is special to me is because she cares for me alot more than some of our neighbors do. When I'm sick, she sits next to me almost all the time and asks me questions such as these: are you hungry? do you want another blanket? do you feel any better?

It always makes me feel better when she says things like that to me. I love her more than 800,000,000,000,000,000 . . . it just won't fit on this paper. But of course, I love my dad just as much.

Janice Huffines, age 9
232 Tampa, Park Forest

Dear Sirs:

My mother is something special to me. I would like for you to know how very much I appreciate and love my mother. She is so special to me because she is loving, kind and when I go to bed at night I have the assurance that I am splendid by her and I am sleeping on clean sheets. mothers means more than gold or any of the world to me. My mother also has very good talent. And my mother very wonderfully stands by my father who is a minister, through so many hardships and trials. That

is why my mom is special to me.

Sincerely Dan Willis,
Age 11 1/2, 808 Cave Avenue
Lockport.

Why my mom is so special —

She is so special because she is her and her alone. She is always there when you need her. She is always thinking of ways she can make me happy. My mom has her ideas and so do I. My Mom gets mad sometimes and so do I, but that is one reason I think she is so special to me. I wouldn't want her any different than she is. My mom is so special because she is her and I love her that way!

My Favorite Person: Mom

My favorite person is mom. She really is. She always takes up us places.

Roy Hassert, as expected, heads board

After nearly 24 hours of session covering May 1, 2 and 8, 1972, Roy Hassert was elected to the post of temporary chairman of the new Will County Board at 4:00 p.m. on May 8 on the 101st ballot of the board.

Immediately following his election as the temporary chairman, Hassert was elected permanent chairman by a 14 to 12 vote with one abstention. The vote was along party lines. Robert Weidling of Wilmington was elected to the newly created post of Vice-Chairman of the County Board.

Roy Hassert held the post of Chairman of the old Will County Board of Supervisors for 7 years.

The votes for the three candidates for County Board Chairman never changed during the balloting on May 1 and 2. 100 ballots were cast, each time the voting was 12 for Stephen Luzbetak of Lockport, a Democrat, eight for Robert Weidling of Wilmington, a Republican, and seven for Roy Hassert of DuPage Twp., a Republican. The Democrats, in a surprising show of solidarity, never cast their ballots for anyone but Luzbetak.

Tradition has held in Will County that the temporary chairman of the Will County Board is elected permanent chairman by a unanimous ballot. Tradition was broken during the balloting on May 8 when the voting for permanent chairman went 14 Republicans for Hassert, the one Republican abstaining being Helen S. Harshbarger from Plainfield, and 12 Democrats for Stephen Luzbetak.

The position of vice-chairman of the Will County Board was created by the board during the May 8 session. Robert Weidling, the candidate for Chairman backed by the Regular Republican Party Organization headed by Thomas Feehan of Joliet, was elected to fill the post of Vice-Chairman of the County Board as a concession to retain Republican control over the county and its many jobs. Weidling has been a member of the board for many years and has broad support within the party organization. He is also the president of the Will County Forest Preserve Commission.

Other actions of the May 8 session of the board saw the election of Richard

Tezak of Joliet as treasurer and Vernon Drexler of Crete as secretary of the Will County Forest Preserve District Commission. Commission membership is held by every member of the Will County Board.

The appointment of Merton West to the Will County Zoning Board of Appeals was ruled illegal by States Attorney Louis Bertani. West, of Crete, was appointed to the post as one of the last acts of the Board of Supervisors. Since he was an elected member of that board, he could not, under state law, be appointed to the zoning post while still in office.

Hassert presented a list of the appointments to various committees of the county board. Members who will serve are: ZONING AND SUBDIVISIONS-Chairman Robert P. Kiep, (R) Edward D. Kusta (R), Glenn P. Coburn (R), Charles A. Gaines (R), Jerry L. Capps (D), Stephen Luzbetak (D), and Paul T. Brozman (D). FINANCE, SALARIES AND AUDITS-Chairman Richard Nieland (R), Robert P. Kiep (R), Douglas P. Hutchinson (R), Jerome J. Paddock (R), Marvin J. Quigley (D), Ted Grabavoy (D) and William H. Starnier (D).

GOVERNMENTAL SERVICES - Chairman Helen S. Harshbarger (R), Allan C. Maurer (R), Charles A. Gaines (R), Edward D. Kusta (R), Ray L. Woock (D), William H. Starnier (D) and Stephen B. Luzbetak (D). HEALTH, EDUCATION AND WELFARE-Chairman Richard Tezak (R), Douglas P. Hutchinson (R), John Oster (R), Fred L. Richards (R), Frank (Sis) Planker (D), Paul T. Brozman (D) and Jerry L. Capps (D).

TAXATION-Chairman John Oster (R), Robert P. Kiep (R), Edward D. Kusta (R), Helen S. Harshbarger (R), LeRoy Van Duyn (D), Herman Alberico (D) and Stephen E. Pristas (D). PUBLIC SAFETY-Chairman Vernon Drexler (R), Edward D. Kusta (R), Allan Maurer (R), Fred Richards (R), LeRoy Van Duyn (D), Ray L. Woock (D) and Marvin J. Quigley (D). HIGHWAY-Chairman Glenn P. Coburn (R), Vernon Drexler (R), Robert P. Kiep (R), Richard Nieland

ROY HASSERT

(R), Ted Grabavoy (D), Jerry L. Capps (D) and Marvin J. Quigley (D).

PURCHASING AND INVENTORY CONTROL-Chairman Jerome J. Paddock (R), Richard Nieland (R), Vernon Drexler (R), Alan Maurer (R), Paul T. Brozman (D), Herman Alberico (D) and Ray L. Woock (D). LEGISLATIVE-Chairman Douglas P. Hutchinson (R), Helen S. Harshbarger (R), Glenn P. Coburn (R), John Oster (R), Stephen Luzbetak (D), John Donahue (D) and Frank (Sis) Planker (D).

EXECUTIVE PLANNING-Chairman Allan C. Maurer (R), Helen S. Harshbarger (R), Glenn P. Coburn (R), Fred L. Richards (R), LeRoy Van Duyn (D), Frank (Sis) Planker (D) and John Donahue (D). LABOR UNION RELATIONS AND LICENSING-Chairman Charles A. Gaines (R), Richard Tezak (R), Richard Nieland (R), Jerome Paddock (R), Ted Grabavoy (D), John Donahue (D) and Stephen E. Pristas (D) Roy Hassert and Robert Weidling have been named ex-officio members of all committees.

Orlanders plan village clean-up weeks

ORLAND PARK — "A Clean Orland Park for Our Homes" seems to be the rallying call for the largest general clean-up ever planned in the village.

The weeks of May 13 through May 27 are designated for a big push in tidying up

GORDON TAYLOR

Funeral services were conducted Saturday, May 6, at the Baskerville Chapel, Lincoln Highway and Robert Street, for Gordon Taylor, 84, 202 Haven Ave., who died at his home last Thursday, May 4.

Mr. Taylor was a retired locomotive engineer, who had been employed by the Rock Island Lines for 49 years. He was a member of the Brotherhood of Locomotive Engineers, the Rock Island Good Fellows Club, and a member of the Mt. Joliet Lodge, No. 42, A.F. & A.M.

Mr. Taylor is survived by one brother, Vance, of New Lenox, and several nieces and nephews.

The Rev. Herbert George, pastor of the New Lenox United Methodist Church officiated at the services for Mr. Taylor. Interment was in Maplewood Cemetery, New Lenox.

JACK G. THOMLINSON

Funeral services for Jack G. Thomlinson, 36, former resident of Tinley Park, were held Saturday, May 6, in Grainsville, Fla., where he was residing.

Mr. Thomlinson died Thursday, May 4, in Gainsville; he was born Sept. 7, 1935.

He is survived by his mother, Mrs. Ruth G. Thomlinson, formerly of Tinley Park, now residing in Gainsville; six brothers, Earl, Tinley Park; Richard, Florida; Orval, Blue Island; Donald, Carpentersville; James, Florida; and Robert, Dolton; and two sisters, Dorothy Kainrath, Riverdale, and Shirley Sayers, Florida.

the streets, occupied and unoccupied land, business and home property. To be a success each person will be asked to participate.

The rapid growth of a town that soared from a sleepy village of 350 people to over

7500 in fifteen years has left marks of building and moving debris, litter, unused appliances, trash, etc.

The key policy in the cleanup is for each person to tend his own property AND A LITTLE BIT MORE according to Village

Wright; and several grandchildren and great-grandchildren.

HAZEL L. FROST

Funeral services for Hazel L. Frost, 53, of 17639 S. 67th Ct., Tinley Park, were held Tuesday, May 9, from the Hickey and Vandenberg Chapel with the Rev. Michael Heston officiating.

Mrs. Frost died May 5 at South Suburban Hospital; she was born July 6, 1918 in Chicago.

She is survived by her husband, George O.; her children, Robert, Michael, Florence and Vicki, all of Tinley Park; Richard A. Frost, Midlothian; and Diane Majeski, Carpentersville; and two sisters, L.G. McCord and Helen Rockwell.

MYRTLE S. HALTERMAN

Funeral services for Myrtle S. Halterman, 79, of 17216 S. 66th Ct., Tinley Park, were conducted this week at Pueblo, Colo. Interment was in Valhalla

Trustee John Anderson who is spearheading the operation.

Businesses are asked to clean their own grounds and the land adjacent to their property. Anderson says he has seen building sites behind stores with discarded appliances - even 1/2 dozen hot water tanks. "Some of the businesses have been less than tidy," he says.

A big day of activity is scheduled for May 20 when service organizations will participate by doing volunteer cleanup on unoccupied areas in the village. On this day the village will make a concerted effort to clean up public property.

The town will be segmented into areas over which certain groups will be assigned responsibility. Schools will cover certain areas. Anderson says they are working the project into ecology units. Homeowners organizations will care for their areas.

Memorial Park

Mrs. Halterman died May 6 at Four Seasons Convalescent Home, Hazel Crest. She was born Feb. 10, 1893 in Mt. Pleasant, Ill.

Survivors include her husband, Harry, and four sisters, Dora Price, Laura Hoffman, Eva Ashcraft and Pauline Bankas.

Obituaries

EDNA REID

Funeral services for Edna Reid, 71, of 14731 S. Laramie Ave., Oak Forest were held Saturday, May 6, from the McKenzie Funeral Home, 15618 S. Cicero Ave., Oak Forest. The Rev. L. W. Stauss officiated and interment was in Oak Hill Cemetery, Hammond, Ind.

Mrs. Reid died May 3, at South Suburban Hospital; she was born July 3, 1900 in Illinois.

She is survived by four sons, Harold, Robert, Theron and John; two daughters, Doris Oliver and Betty Elliott; two brothers, Edward and Walter Kaetzer; 12 grandchildren and three great-grandchildren.

CHARLES E. KOEHLER

Funeral services for Charles E. Koehler, 80, of 8901 S. Natoma, Oak Lawn, were held Thursday, May 4, from the Schmaedeke Funeral Home, Orland Park. The Rev. David Loser officiated and interment was in Evergreen Cemetery.

Mr. Koehler died May 1 at Christ Community Hospital; he was born Aug. 7, 1891 in Gleiwitz, Germany.

Mr. Koehler is survived by his children, Betty Nickrandt, Walter, Charles, Henry, George, all of Chicago, Louise Tinsley, Orland Park; and Charlotte

Memo From The Special Property

Manager's Desk

JIM CLARKE

With the exodus of the City Dwellers to the wide open spaces it has placed a great drain on the availability of land. Land is the best investment there is, no more land is being made. This is where the experience of a Land Salesman can save the Buyer precious time by helping him find the most value for his investment.

A THOUGHT TO REMEMBER BY JIM HIRSCH

A roving reporter directs questions to people on the street and publishes their answers in an opinion poll in a Mid-West newspaper. He recently asked several people, "Who is the greatest woman who ever lived?" The answers varied of course. One person chose Joan of Arc. Another chose Helen Keller. Another person selected Susan B. Anthony for her work in the emancipation of women. Madam Curie was chosen by another person. One young fellow chose Cleopatra! Three people selected Mrs. Eleanor Roosevelt. Strangely enough, not one of these people mentioned the person, who in our opinion, should have been selected instantly. Who is she?

This woman dedicates her life to the happiness of her family. She suffers most, dreams the most, sacrifices the most. She presides in her sphere of life like a goddess as she teaches the virtues of honesty, cleanliness of body and mind, work and faith in God by her example and counsel. In all these things, she is constant, dependable and unchangeable. She is seen everywhere, on your street and ours. Who is she? She is God's gift to mankind . . . MOTHER!

Sandmen are coming

TINLEY PARK — The sandmen are coming; they will be selling the Jaycee Sand and sandboxes, after being delayed by bad weather.

The Tinley Park Jaycees will be out again this Saturday May 13, promoting Sandbox. A sandbox consists of a large tractor tire with the rim cut out of it, and filled with sand. The cost is \$7 for a sandbox filled with two wheelbarrows of sand. The sand alone is \$1.50 per wheelbarrow and a tractor tire sandbox costs \$5. The Jaycees will deliver

sand in your backyards free.

Residents will know the Sandmen are coming by loud speaker announcements. No advance orders or phone orders will be taken, because in the past some people were not home when the sand arrived.

Chairman Dave Daily says, "This is the best sand we have ever had." He and director Gene Tambellini are planning to be in the Tinley Terrace area, and possibly Parkside and Lancaster, if they don't run out of Sand.

A 'Prince' of a poster

OAK FOREST — Acorn Library has recently been notified that Donna Prince of its public library district has been named as the Suburban Library System winner in a poster contest held in April.

Donna's poster on the theme, "Books bring people together" was judged to be the best among entries submitted from the 56 libraries which belong to the Suburban Library System.

The state-wide contest, sponsored here by the Friends of the Library for the Acorn Public Library District, was held in conjunction with National Library Week, April 26-22. The contest was open to fourth grade students in schools throughout the state.

As a System winner, Donna has been invited to Springfield to receive her prize, a set of Junior Britannica Encyclopedia. The state winner will be presented with a set of Encyclopedia Britannica and all presentations will be made during a special dinner honoring System winners from Illinois on May 22.

Mrs. Eliza Bieber, head librarian at Acorn, said that she was thrilled when she was told of Donna's winning poster and added that she felt especially proud because Donna's poster was in competition with so many other libraries in the SLS.

The SLS, with its headquarters in Hinsdale, is one of the 18 public library systems in Illinois.

Water proposes changed

OAK FOREST — A meeting of representatives from Oak Forest and Tinley Park was held Tuesday, May 2 to discuss the counter-proposal from Oak Forest to supply Chicago water to these two communities.

While the original proposal gave Oak Forest and Tinley Park ownership of the water system and veto power over allowing additional communities to "tap off" the system, the counter-proposal did not include these points.

Another difference was the tendency to generalize in the Oak Forest proposal, while the Oak Forest - Tinley Park proposal was more specific. For example, a 42 inch line was specified by Oak Forest - Tinley Park for a certain loca-

tion, while no size was specified in the Oak Forest proposal.

An additional provision of the Oak Forest proposal would make it mandatory that existing wells be connected to the water system by "no permanent means" and that these wells be used only in an emergency with prior consent from Oak Forest. In discussing this provision, it was agreed that in order to prevent rusting of the pumping equipment these wells must be used daily for approximately 15 to 20 minutes. The cost of maintaining the wells on a stand-by basis is believed to be prohibitive.

Richard Durkin, co-chairman of the group, proposed that the next meeting be held in Oak Forest with all concerned parties present to clarify all vague and unclear articles of the Oak Forest pro-

Ice cream shop melts

ORLAND PARK — A quick shift in plans finds that Orland Park will not have a specialty ice cream shop in town at this time.

The Cone Shop in Frankfort had purchased the property of the Church of the Nazarene at 143rd & Ravinia Street with the intent of opening up an ice cream parlor there. At owner Martin Kaffel's request the property was rezoned to Class C commercial for the Cone Shop by the Village on April 3.

According to Mrs. Kaffel it is now learned that the owners Kaffel and Richard Freeman found it to be economically feasible to resell the property to Thomas Fox and partners.

Fox owns Fox's Pub on Western Avenue in Evergreen Park, and another res-

taurant-lounge of the same name at 92nd & Cicero in Oak Lawn. The Oak Lawn restaurant is described by an observer as "nice middle class family type." The same observer said the Western shop is typical pub with a pizza carryout in the evening and "the food is excellent."

Mrs. Kaffel says the Cone Shop hopes to open at another location in the Orland area in the future. However, plans have not been finalized for the move at this time.

Rev. Bob Lothenore, pastor of the Church of the Nazarene, emphasized that the Church property was sold to the owners of the Cone Shop. He added neither he, the members of the congregation nor his real estate broker had prior knowledge of the plan to resell.

Agreement reached

Hillcrest Builders get Camino go ahead

ORLAND PARK — The Orland Park Village Board agreed May 1 to seek signing of final agreements with Hillcrest Builders on Camino Units 1, 2 and 3. Priority will be given to the agreement covering the Planned Unit Development in Unit No. 2 at 151st Street and West Avenue.

Unresolved issues on the three units will be taken up at the board meeting May 15.

Among issues pending is the ownership of a 50 x 125 foot strip adjoining the junior high. The strip is shown on the plat as an easement for public use. Both School District No. 135 and the village wish to retain it. Consensus of the board members was that the village keep the strip.

The village must also enter into an agreement with the Apartment Owners Association in Unit No. 2, according to vil-

lage Attorney Raymond Pieper.

The lease of the Cook County Police Driving School was terminated and immediately released to the same group under the name National Police Driving School. Police are trained in driving methods at the Nike site at 158th and LaGrange Road. Village Trustee Roger Frantz said the school is an asset to Orland Park as it trains village police, makes its personnel and services available to Orland Park, and pays a fee for rental of the site.

A possible purchaser for the building at 14330 Beacon, who wishes to open an upholstery shop, was referred to the Building Commission.

A report of an engineering study of a drainage problem at 146th & Birch Street showed one house had dumped dirt causing the problem to the three homes in question. Trustees suggested the village

might stake out the land and let the people correct the problem.

A request by the owner of the northwest corner of 151st and Meadowlane to annex was referred to the Building and Ground Committee. A plat plan for six lots back of Forestview Drive at 82nd Street was referred to the Planning Commission. The owner wishes to rezone and annex.

A letter was sent to the State Highway Department stating the necessity for entrances and exits in connection with the shopping center and the widening of Route 45. A letter was also sent to the subdivider to correct the ditch drainage problem at 14540 Ridge.

In other matters:

— the question of an additional crossing guard on 147th and West Avenue is still under study

— a study is being made to place "no parking" signs on Jefferson south of 143rd Street to past the Laundromat

— a business license was approved for the change of address of Pizza Pete to 14342 LaGrange subject to paving and final inspection

— the problem of signs in Indian Oak Plaza was discussed with the owner

— nine building permits totalling \$247,000 were approved

— there are no funds to build 153rd Street west of LaGrange now, but it will be four lanes in the future

— Poppy sales will be held May 18 and May 19

— National Cystic Fibrosis Research Fund week has been designated September 10-17.

Musicians earn praise

ORLAND PARK — "My highest compliments go to your students," wrote George Perry, Cedar Bluff Middle School, Knoxville, Tennessee about the Sandburg orchestra students after their performance during their Easter tour, "not only for their musicianship, but for their exemplary conduct."

"As you know," he continued, "Middle School pupils are very impressionable, and there was every opportunity for your group to 'show out', but the department and courtesy of every single member of your group was a fine example to our young people."

Sixty Sandburg students in the concert orchestra participated in this tour during the Easter holidays April 3-7, under the direction of Wesley Warner, Sherrie Balz, was the student concert mistress.

The students performed five concerts in three days at four high schools, and it was the consensus of the Sandburg students that it was "nice to perform to such receptive audiences."

Warner commended Mrs. Clo Gregori, the tour co-ordinator, "who did a marvelous job." Mr. Gregori also accompanied the group, as did Dr. G. W. Davidson, principal, and Milton Potter, Sandburg's Music Department Chairman, along with Mr. and Mrs. Ashley, who met the students, and later toured with them.

The Music Parents at Sandburg High School underwrote most of the cost of the trip with funds derived from the candy sale, and the Christmas dance.

Suburban Living

People do need people — love

By Jean Wille

(The following article was written after a visit through the children's ward of the Tinley Park Mental Health Center. The visit was arranged by Kenneth Kulberg, program director, and carried out by Mrs. Norman Barr, mental health technician I. This article is dedicated to Jean, and all others who personify "Mother love," through lives dedicated to children.)

"... to hold thee lightly on a gentle knee. And print on thy soft cheek a parent's kiss— This, it should seem, was not reserved for me;

Yet this was in my nature — as it is, I know not what is there, yet something like to this."

Byron

Many mothers will be remembered on Mother's Day with gifts and acts of love. Love, that according to worldly standards, is deserved because of a mother's sacrifice.

The meaning of sacrifice is often confused with parental responsibility, or, self pride. Most mothers are well aware of this and feel a light twinge of guilt upon accepting a Mother's Day remembrance. Those who feel honor is due them are apparently over-endowed with thoughts of having earned love through sacrifices. Motherly love? Hardly.

A mother's love in an inner beauty shown through affection because the child exists. The child is here, and with Being — creates love. Being and Love are inseparable; one in growth and dependency.

As the child lives, dependent on love, so love grows, dependent on the child.

Some mothers, and God only knows why, are overly endowed with motherly love. Their love is not expressed solely through proper clothing, schooling and balanced diets for their child.

Their motherly love is a twinkle...

It is sitting on the floor next to a child holding a battered, ripped magazine...

It is caring, with breath...

It is knowing that child...

Motherly love is heart, emotions and thought.

It cannot be bought or repaid. It is a gift to the beholder and a gift to the receiver. If repayment is made, love ceases to be a gift; it loses its freedom and becomes an exchange.

Love is superior over anger; it outlives

Staff photo by Tom Houlihan

JEAN BARR AND CHILD

hurt; it triumphs over neglect. It is continual.

All mothers do not have love that lasts beyond endurance or beyond childish needs and attainment of adulthood.

All mothers do not have love that persists in spite of lack of adulthood attainment.

Mother love is a sip of water to the thirsty; a smile — to the sad; an embrace — to the hungry. It is also concern for the body and mind, but, because of its emotional basis, it is unique.

Body growth without love is autumn death with no hope for spring re-birth. It is dormant. It is not Hope.

Motherly love is not limited by the pains of birth. It is not confined to four walls. It extends beyond the self to those who need another self for identification, i.e., the sick, the mentally ill, the retarded. It moves into the world, quietly, softly, with oftentimes invisible progress in society's sight.

Love is seen in hospital rooms where it is transmitted through concerned hands touching seemingly unresponsive beings. It is seen in special education classes where it draws a distant thought through a whirling tunnel to a child's glimpse of reality.

It is seen in children's wards at mental health centers where a torn magazine is the only bridge between me and you.

"and should that bridge cease to be, so shall I cease to be for I am thee and thee — me."

Grief can take care of itself; but to get the full value of a joy you must have someone to share it with.

Mark Twain

'Unusual Boy' wins contest

ORLAND PARK — First prize winner in the sixth grade for the "Who am I?" essay contest recently sponsored by the PTA from the Orland Park School, was Bill Katzenberger, 8532 W. 145th St. Bill's essay was as follows:

I am an unusual boy. Sometimes I'm happy. Sometimes I'm not so happy. Sometimes I'm a winner. Yet again, sometimes I'm a loser. Take my name for example: Bill Katzenberger. I must admit, it isn't the greatest name in the world, but I'm proud of it. But again, I'm a winner, for I have a great family, many friends, a comfortable

I like school pretty much, although on nice days I wish I was outside, goofing around. But yet when I'm losing in a snowball fight, or I have to take out the garbage, I wish I was back in my quiet classroom, at my desk, writing an essay. But like I said before: I'm an unusual boy.

Faithful Stewards

ORLAND PARK — St. Michael, Catholic Charities Foster Care Department is looking for families who may be interested in caring for foster children over eight years of age, and minority group children of any age. There are various programs for children to be placed in homes for several weeks, months or years.

Also, Catholic Charities Adoption Department is looking for adoptive homes for minority group children of any age.

If you have built castles in the air, your work need not be lost; that is where they should be. Now put foundations under them.

Henry David Thoreau

Local Knights at convention

TINLEY PARK — Four members of the Father C. C. Boyle Knights of Columbus chapter attended the state convention of the K. of C. this past weekend at the Sheraton Blackstone Hotel, Chicago.

Past Grand Knight Lionel Scott and Grand Knight John Schutzius were convention delegates. Deputy Grand Knight Ed Godette and August Hurt, chairman of the State Resolution Committee, also attended. All four men were accompanied by their wives to the three-day event.

Senior citizens' mother

By Gertrude Gallagher

This story will embarrass a certain lady in Orland Park, but she deserves it.

Lucille Bumba could be described as the fairy godmother to 58 senior citizens.

As Lucille tells it, the Senior Citizens Club emerged as a "sort of ecumenical thing" three years ago. She says the Reverend Leon Leatherman of United Methodist, Walter Ledogar of Christ Evangelical Lutheran, and Peter Dunne of St. Michael's met with her and her husband Ray, to see what could be done for the elderly.

As a result that first Spring saw 31 members in the club which has now grown to 58. Working funds came from the churches and organizations in town. Until this Spring the group met in the church facilities. Now it meets every other Tuesday at the Administration Building from 12:30 to 3:00 P.M.

Members range from 55 to 87 years of age.

The story comes out a little differently when you talk to someone like Mrs. Joyce Close, 15043 Highland, who herself is a tireless volunteer in community and church.

Joyce says of Lucille, "Singlehandedly, with love and devotion and modesty she works. The whole idea was Ray and Lucille's. They sparked it."

"The older people rely on her and they call on her for help at any time. They will ask her for a ride home if they see her in the Plaza. Nobody knows all the little kindnesses Lucille does for the older people in town."

"Lucille is the very humble; and Ray is equally devoted. He is in Scouts and the preparation and work he puts in! If I were a boy I would want to be in Ray's group."

Getting the seniors to meetings is a problem. Formerly Ray would drive a bus on loan from a church and transport the people. Now, Lucille chauffeurs four or five to each meeting.

At the bi-weekly meetings the seniors generally play bingo. But trips are planned regularly. Each trip finds Lucille making

LUCILLE BUMBA

Staff photo by Barry Bettenhausen

all the plans, scouting the site bearing in mind the various physical limitations of her charges. She arranges for the bus and for lunch. "They always like to eat," she says.

Among the trips she has planned were those to Honeybear Farm, Nabisco, Jays Potato Chips, an Amish village, Candlelight Theater, and, last Tuesday, to Theater in the Round. One trip took the seniors out on the lake in a Chicago Fireboat.

Lucille has a beautiful attitude toward her older friends, and understanding of their needs.

"They are from all faiths and get along very well," she says. "One looks out for the other."

Ray and Lucille moved to 14450 S. 87th Avenue in Maycliff from Mount Greenwood, Chicago, four years ago. They have a daughter, Janice, 13, attending the Junior High, and a son, Paul, 15, at Sandburg. They are members of the United Methodist Church.

Singlehandedly mothering a flock of seniors — pot luck dinners, box lunches, trips, bingo every other week — and all those untold "kindnesses" takes time. Lots of time.

In her quiet way Lucille says, "It's rewarding. Everybody appreciates everything you do. I guess in other groups people don't always."

Orland library has cook books for Mom

ORLAND PARK — Food is a foremost thought in the minds and hearts of most young people. And much has been presented on this topic. The history and uses of some of our snack foods is most interesting. "Peanuts, Popcorn, Ice Cream, Candy and Soda Pop and How They Began" reveals many unusual facts. S. R. Russell tells us that the Pilgrims used popcorn as a part of the first Thanksgiving. Jars shaped like peanuts have been found in ancient Inca tombs. Nero served a secret dessert — ice cream — at his banquets. Soda pop, on the other hand, is strictly American.

"Eating and Cooking Around the World," by Erick Berry gives us a world tour of what people eat and how they eat it. The preparation of roast pig for a Hawaiian luau requires much time from the making of the leaf-lined oven to the removal of the hot stones at the hour of the feast. On a Chinese sampan, the charcoal stove is

used to prepare the two main meals of the day — usually rice, soybeans, pork and chicken. The Indian people grind corn and bake in the same fashion as their ancestors a thousand years ago. The Laplanders pause as they herd buffalo and eat a meal in the snow. The milk from the herd is used to flavor the coffee that the herdsman drink during the day.

For those who are interested in preparing food, several cook books have recently been added to the collection in the Children's Room. "The Fannie Farmer Junior Cook Book", by Wilma Lord Perkins, provides recipes for the young cook. In addition, the author tells how things should be measured and mixed and explains the hows and whys of good, well-balanced meals.

In the interest of the young chef, Helen Evans Brown has prepared "The Boys'

Cook Book." Suggestions and directions for hearty food that will satisfy male appetites at home, camping out or at a party are plentiful in this volume. All types of foods are included — from snacks to casseroles to desserts. "Learning Science through Cooking," by Barbara Davis helps to explain why certain procedures are needed in the art of cookery. "Casserole Cooking" by Barbara McDonald contains over 20 recipes for main dish, vegetable and dessert casseroles. Each recipe includes the safe and correct techniques that the youthful cook should be learning. Irma Rombauer gives over 350 recipes for all types of food in her volume, "A Cookbook for Girls and Boys." This book also includes sections on nutrition, cooking techniques and terms that the pre-teen may need to acquire. These and additional materials from the adult section are available at the Orland Park Public Library.

Mrs. Jaycees elect officers

TINLEY PARK — The Mrs. Jaycee new officers will take office at the next membership meeting, June 7 at 8 p.m., at the Lake Shore Savings and Loan, 17401 S. Oak Park Ave.

The women officers will be installed at a Jaycee combination Dinner Installa-

tion at the Chez Glenwood on June 2. For dinner reservations, members are asked to call Mike Kauffmann, 532-8682.

The new officers are: Sharon Kauffmann, president; Judy Wade, vice-president; Maribeth Soltis, secretary; Joan Rickerson, treasurer; Senior Director, Barb Schilling.

Artists place at St. Xavier exhibit

Mary Bourke and Denise Joy, both students in Carl Sandburg's art department, have won places in the Young Artists Exhibition sponsored by St. Xavier College, 103rd and Central Park Ave., Chicago.

Miss Bourke won a second place for her painting, self-portrait, and Denise Joy won an honorable mention for her free form rug.

The art works, done in all media by students from kindergarten through high school, will be displayed in the St. Xavier College gallery from May 1 thru May 18. The show is open to the public.

Eight other students also submitted their original art work for judging, and they are: Peggy Cox, Melinda Novak, Diane Benda, Debbie Bradford, Ginny Henely, Mary Heniff, Kevin Contts, and Brian Grewe.

Hassert wins re-election as county board head

After nearly 24 hours of session covering May 1, 2 and 8, 1972, Roy Hassert was elected to the post of temporary chairman of the new Will County Board at 4:00 p.m. on May 8 on the 101st ballot of the board.

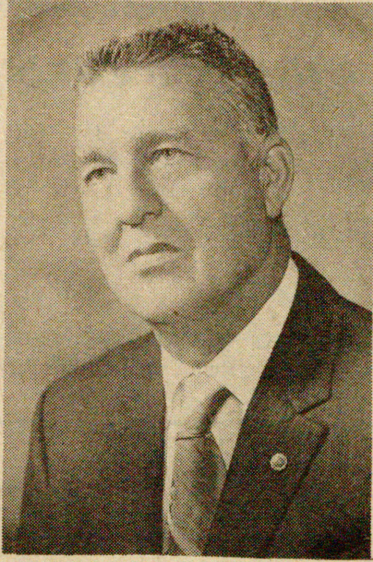

Immediately following his election as the temporary chairman, Hassert was elected permanent chairman by a 14 to 12 vote with one abstention. The vote was along party lines. Robert Weidling of Wilmington was elected to the newly created post of Vice-Chairman of the County Board.

Roy Hassert held the post of Chairman of the old Will County Board of Supervisors for 7 years.

The votes for the three candidates for County Board Chairman never changed during the balloting on May 1 and 2. 100 ballots were cast, each time the voting was 12 for Stephen Luzbetak of Lockport, a Democrat, eight for Robert Weidling of Wilmington, a Republican, and seven for Roy Hassert of DuPage Twp., a Republican. The Democrats, in a surprising show of solidarity, never cast their ballots for anyone but Luzbetak.

Tradition has held in Will County that the temporary chairman of the Will County Board is elected permanent chairman by a unanimous ballot. Tradition was broken during the balloting on May 8 when the voting for permanent chairman went 14 Republicans for Hassert, the one Republican abstaining being Helen S. Harshbarger from Plainfield, and 12 Democrats for Stephen Luzbetak.

The position of vice-chairman of the Will County Board was created by the board during the May 8 session. Robert Weidling, the candidate for Chairman backed by the Regular Republican Party Organization headed by Thomas Feehan

ROY HASSERT

of Joliet, was elected to fill the post of Vice-Chairman of the County Board as a concession to retain Republican control over the county and its many jobs. Weidling has been a member of the board for many years and has broad support within the party organization. He is also the president of the Will County Forest Preserve Commission.

Other actions of the May 8 session of the board saw the election of Richard Tezak of Joliet as treasurer and Vernon Drexler of Crete as secretary of the Will County Forest Preserve District Commission. Commission membership is held by every member of the Will County Board.

The appointment of Merton West to the Will County Zoning Board of Appeals was ruled illegal by States Attorney Louis Bertani. West, of Crete, was ap-

pointed to the post as one of the last acts of the Board of Supervisors. Since he was an elected member of that board, he could not, under state law, be appointed to the zoning post while still in office.

Hassert presented a list of the appointments to various committees of the county board. Members who will serve are: ZONING AND SUBDIVISIONS-Chairman Robert P. Kiep, (R) Edward D. Kusta (R), Glenn P. Coburn (R), Charles A. Gaines (R), Jerry L. Capps (D), Stephen Luzbetak (D), and Paul T. Brozman (D). FINANCE, SALARIES AND AUDITS-Chairman Richard Nieland (R), Robert P. Kiep (R), Douglas P. Hutchinson (R), Jerome J. Paddock (R), Marvin J. Quigley (D), Ted Grabavoy (D) and William H. Starnier (D).

GOVERNMENTAL SERVICES - Chairman Helen S. Harshbarger (R), Allan C. Maurer (R), Charles A. Gaines (R), Edward D. Kusta (R), Ray L. Wock (D), William H. Starnier (D) and Stephen B. Luzbetak (D). HEALTH, EDUCATION AND WELFARE-Chairman Richard Tezak (R), Douglas P. Hutchinson (R), John Oster (R), Fred L. Richards (R), Frank (Sis) Planker (D), Paul T. Brozman (D) and Jerry L. Capps (D).

TAXATION-Chairman John Oster (R), Robert P. Kiep (R), Edward D. Kusta (R), Helen S. Harshbarger (R), LeRoy Van Duyn (D), Herman Alberico (D) and Stephen E. Pristas (D). PUBLIC SAFETY-Chairman Vernon Drexler (R), Edward D. Kusta (R), Allan Maurer (R), Fred Richards (R), LeRoy Van Duyn (D), Ray L. Wock (D) and Marvin J. Quigley (D). HIGHWAY-Chairman Glenn P. Coburn (R), Vernon Drexler (R), Robert P. Kiep (R), Richard Nieland (R), Ted Grabavoy (D), Jerry L. Capps (D) and Marvin J. Quigley (D).

PURCHASING AND INVENTORY CONTROL-Chairman Jerome J. Paddock (R), Richard Nieland (R), Vernon Drexler (R), Allan Maurer (R), Paul T. Brozman (D), Herman Alberico (D) and Ray L. Wock (D). LEGISLATIVE-Chairman Douglas P. Hutchinson (R), Helen S. Harshbarger (R), Glenn P. Coburn (R), John Oster (R), Stephen Luzbetak (D), John Donahue (D) and Frank (Sis) Planker (D).

EXECUTIVE PLANNING-Chairman Allan C. Maurer (R), Helen S. Harshbarger (R), Glenn P. Coburn (R), Fred L. Richards (R), LeRoy Van Duyn (D), Frank (Sis) Planker (D) and John Donahue (D). LABOR UNION RELATIONS AND LICENSING-Chairman Charles A. Gaines (R), Richard Tezak (R), Richard Nieland (R), Jerome Paddock (R), Ted Grabavoy (D), John Donahue (D) and Stephen E. Pristas (D) Roy Hassert and Robert Weidling have been named ex-officio members of all committees.

News Briefs

Hearing date set

JOLIET — Hearing on the issues of the suit by the New Lenox Grade School and the Lincoln-Way High School districts to set aside the sale of certain lands left by Miss Caroline Bentley, New Lenox, for the schools benefit is now slated for June 7. The case was called Monday before Judge Emil Di Lorenzo here but introduction of a motion by attorneys for the land purchasers and executors brought a continuance to May 24. Judge Di Lorenzo said he would rule on the motion on that date and the hearing on the issues would start June 7.

The motion made Monday raised the question as to whether the Lincoln-Way High School board could act as trustee of a scholarship fund set up through the sale of certain lands, and left to the school for that purpose. Whether the board members as individuals could be appointed as trustees or whether such trustee or trustees should come from outside, with no connection to the school, will be decided by the court May 24.

With this technicality out of the way, it was said, June 7 should see the beginning of the taking of testimony, unless, of course, another technicality is raised. Basic issue in the suit is whether the price at which the executors sold the land is adequate. The executors, C.W. Batson, New Lenox, and Ralph Agate, supervisor of Orland Township, have sold the land left by Mrs. Bentley. The land left the grade school, some 240 acres was to be sold and the money turned over to the board of education for school construction.

The high school was left 160 acres in two 80-acre tracts, one at Cedar and Laraway and one north of Laraway and east of the Wabash. The executors appraiser put a price of \$1,200 on the tract north of Laraway Road while the appraiser hired by the high school priced it at \$1,500 an acre; the executors' appraiser put a price of \$1,750 on the other parcel while the school board's appraiser valued it at \$2,000 an acre.

At the executors' appraiser's figure the high school would get \$236,000, less executors fees which could run six per cent, to invest in a scholarship fund. Scholarships would come from the interest. The schools also are endeavoring to get an order to have the fees on their bequests taken from the residuary of the estate rather than their shares.

State okays heliport

FRANKFORT — Petition of Becker Brothers, Inc., builders for the retirement home here for operation of a restricted landing heliport on the grounds, has been approved by the Illinois Department of Aeronautics. The address given for the port is Lots 25 and 26, on No. 40th St. Smith St. The lots there are large ones, about two and a half acres to the lot. The petition was filed April 6. On April 11 the department announced it intended to give approval of the petition and on May 2 approval was given.

ROBERT R. SKOPAC

New juvenile officer

WILL COUNTY — Joliet-Chief Judge David Oram of the 12th Judicial Circuit has announced that, effective May 1, Robert R. Skopac of 335 Hutchins Street in Joliet is the new juvenile probation officer of the 12th Judicial Circuit in Will County.

Skopac was selected for the post from among many applicants by Nicholas Radakovich, supervising probation officer of the 12th Judicial Circuit, Radakovich's decision was confirmed by the Presiding Judge of the Family Court, Angelo F. Pistilli.

Radakovich pointed out that the post of juvenile probation officer has been vacant in Will County since September of 1971 when the officer then holding the post for only three months resigned. The position has for all practical purposes been vacant for one year. The courts process nearly 5,000 juvenile cases per year in Will County.

Skopac, 46, was born and raised in Joliet and educated in Joliet schools. He received his degree in business administration from Drake University in Des Moines, Iowa. He has been enrolled for the past year in the graduate school at the University of Chicago studying for his master's degree.

Skopac served in the U.S. Army during World War II leaving as a sergeant. He has been active in many community organizations.

He was elected to a four year term on the Joliet Township Board, the board of directors of the OEO in Will County and the Board of Directors of the Associated Clubs of Will County where he holds the post of public relations director.

He held the post of chief counsellor for the Columbian Squires of the Knights of Columbus. He has been a district commissioner of the Boy Scouts and an advisor to the Sea Explorer Unit of the Boy Scouts at Joliet Catholic High School. He is a vice-president of the area chapter of Muscular Dystrophy.

Audio-visual tests set

FRANKFORT — Local community groups and the Will County Health Department will be sponsoring pre-school vision and hearing programs for children 3½ to 6 years of age at various locations in the County during the summer months.

In Frankfort, the PTA will provide volunteers for the program. Marion Novota is the chairman of the group.

Parent who wish to have their children receive the screening tests must register on May 12 between the hours of 1 and 4 p.m. at the Frankfort School Library.

The vision and hearing tests will be given June 1 and 2 and will be available to only those children who are registered.

Parade is May 29

FRANKFORT — The annual Memorial Day parade will be held at Frankfort May 29, starting at 10 a.m.

The date May 29 falls on a Monday and is another of those holidays designed to help resort operators by making them three days long for those who do not work on Saturdays or Sundays, it was pointed out.

The village board, which was in charge of the Memorial Day festivities last year, will sponsor the program again this year. The parade will form on the Frankfort grade school grounds. There will be a wreath laid at the foot of the monument in front of the village hall. This memorial stone was erected in honor of the dead of all American Wars.

Builder overdoes it

FRANKFORT — Putting in 19 units when the zoning called for 18 has brought trouble to Paul Wirth, builder of the Olde Towne apartments south of U.S. 30 on Johnson Avenue.

The Frankfort village board took notice of a real estate ad. to the effect there were 19 apartments. One building is completed and a second, also zoned for 18 living units is under construction.

The board decided to halt all work and the builder be instructed to leave the extra unit in the new building as a utility room as designated in the original plans and to change the one that is completed back to a utility room.

Work has halted on Tuesday but was permitted to resume a couple of days later. The building manager who had been using the 19th unit reportedly as an office gave it up.

Community Calendar

Thursday, May 11

Bake sale at Mokena Sales starting at 9 a.m. Saturday, May 13 sponsored by Christian Youth Fellowship of St. John's Church.

The Burro's Football Organization held their re-organization meeting April 30 at the Mokena VFW Hall. An election of new officers was held. Elected were: Clyde Bond, president; Bob Whitley, vice president; Ruth Naples, secretary; Ray Cole, treasurer; Jordan Marzano, athletic director; Louise Hendrickson, cheerleader director; Bruce Pegram, Dick Mansell and Jim Rigor, directors.

A final report was made on the dance by chairman, Jordan Marzano, who expressed his appreciation for the help and support of everyone.

A meeting was scheduled to draw up a set of by-laws. The regular board meeting will be held the third Thursday of each month. The new board would like to thank everyone who gave support in the past and will look forward to the same quality of support in the future.

The 70th annual PTA convention was held in Chicago at the Conrad Hilton Hotel, April 27, 28 and 29. The Mokena PTA was represented by vice president, Mrs. Alma Shepard; cultural arts, Mrs. Maryann Franson; publicity, Mrs. Fran Boaz; council, Mrs. Jean Reidy. Fred Keisler, principal of Willowcrest Primary was a visitor.

Mrs. Minnie Pester, a 4th grade teacher at Willowcrest School donated several art prints to the school. Leo Burke, Ray Padden and Everett Shephard made the frames with lumber donated by Welsch Lumber Company.

Marley

By Virginia Sass
815-485-6424

The annual Mother and Daughter Banquet, sponsored by the Women's Society of the Marley Community Church, will be held at the church on Thursday, May 11 at 6:30 p.m. The program will be presented by the Hand Bell Choir from St. John's Church of Mokena.

The Marley Woman's Club will meet at the home of Mrs. Melvin Berndt on Thursday, May 11. Mrs. Charles Elliott will be the assisting hostess. Dessert-coffee will be served at 1 p.m. The annual election of officers will be held. The club will host the spring biannual meeting of the Will County Club League. It will be held at the Marley Community Church on Tuesday, May 23.

Mr. and Mrs. Charles Ingram have a granddaughter, Michelle Marie, born to Mr. and Mrs. Charles Ingram, Jr., Coal City on April 23. The new baby weighed nine pounds and five and one-half ounces.

Mrs. Doris Goodwin has returned to her home after spending four months with her

sister, Mrs. Ethel Bruns, Breckenridge, Colo. Mrs. Bruns accompanied her home and will spend a few weeks here.

The Marley Community Church will honor its graduates at a dinner immediately following the morning worship service on Sunday, May 21.

Frankfort

By K.M. Heisner
815-469-5187

The annual Mother-Daughter Banquet St. Peter's United Church of Christ will be held at 6:30 p.m. Friday, May 12, in the Fellowship Hall. It will be a catered chicken and roast beef dinner served family style. Gloria Gonigan, Ottawa, Ill., is the guest speaker, her theme is, "Safari" — set to music. The co-chairmen for the evening are Mrs. William Weichbrodt, Mrs. Milton Barson and Mrs. Sherril Rahm.

All mother's are invited to visit their children's Sunday School class from 9:15 to 10:15 a.m. Sunday, May 14 at St. Peter's Church.

The Father-Son Banquet of St. Peter's Church will be held at 6:30 p.m. Friday, May 19. The Women's Fellowship will serve the meal. A barber shop quartet from Joliet will sing and there will be comic cartoons for the children.

The Pairs and Spares of the Frankfort United Methodist Church are sponsoring a Square Dance in McGlashen Hall at 7:30 p.m. Saturday, May 13. All members and friends are invited to attend.

The W.S.C.S. and the Mens Club of the Frankfort United Methodist Church are meeting the same evening at the church in the Fellowship Hall at 7:30 p.m. Tuesday, May 16. Each group will conduct their own business meeting and the program will be combined. The theme is, "The History of the Church." Mrs. Rudy Urbano, Sr., is program chairman. Hostesses are Mrs. Clyde Reils, Mrs. Cletus Knoll and Mrs. Albert Swatek.

The Frankfort Woman's Club are chartering a bus and will be going to Chicago to the Candlelight Playhouse for dinner and an evening of entertainment "Fiddler On The Roof," will be seen. They will leave St. Peter's Church at 6:15 p.m. Thursday, May 18. Chairman of the affair are June Woodman, Mrs. Paul Niemi, Mrs. Ray Fillippo, Mrs. James Wooten, Bertha Nieland, Mrs. Ted Massey, Mrs. Robert Brach and Mrs. Robert Fredin.

Visitors at the home of Vera Lund last Sunday afternoon were Mrs. Kenneth Darley, New Lenox and Mrs. Harold Thompson and Mrs. Ralph Smith.

The Frankfort Lions Club will meet Tuesday, May 16 at Kelly's Restaurant for their annual Father-Daughter night. The program will be presented by the Madrigals from Lincoln Way High School.

Since the month of May is Unit's choice with no major lesson the Frankfort-Mokena Unit of Homemakers Extension Association had their treat of a luncheon and a brief meeting at the Blue Willow Restaurant, Lockport, followed by visiting a few special shops.

Many of the unit members will attend the Annual County meeting on May 15 at the Holiday Inn, South, Joliet. Mrs. George Sangmeister, member of the Frankfort-Mokena Unit is council chairman and will preside at the meeting. Guest speaker will be Rev. Wayne Nordstrum, Galva, Ill.

Arbury Hills

By Marie Hovi
(312) 479-5740

ARBURY HILLS — Tomorrow evening, May 11, the Summit Hill Parent-Teacher Organization will have its meeting at the school on Beechnut Drive and Magnolia Street. The meeting will begin at 8 p.m. During the business meeting there will be the installation of officers elected during the April meeting.

This Saturday, May 13 the voters of the Summit Hill School District 161 will vote on two tax issues. The first vote will be on educational tax increase of 25c per \$100.00 which would bring the rate to \$14.2. This issue was voted down in December by a narrow margin.

The second issue on the ballot would be a bond issue in the amount of \$745,000.00 to build a school in Frankfort Square which is also in the Summit Hill School District since consolidation with the Ann Rutledge District.

Also Fanti, superintendent of the entire district, indicated that the entire amount of the bond issue could not be issued at one time, since the district does not have that much bonding power. The bonds would be issued as funds become available. Voting will be held in both the Arbury Hills School and the Ann Rutledge School this Saturday, May 13.

The boy scouts of Arbury Hills Troop No. 10 will participate in a week end camporee and competition to be held for the Rainbow Council in Pilcher Park, Joliet this week end. The boys will leave Friday evening and will return Sunday morning after church services.

The major theme of the campout this year is map and compass reading. Each patrol within the troop will be judged on its ability to locate pre-determined points on a map by use of a compass only.

For the troops April activity the boys went to the Boy Scout Camp at Morris, Ill. The early half of the day was spent in staking out the trees planted by the troop last year. The afternoon was spent in practicing their skills in map and compass as a warm-up for the coming campout.

Last Saturday the troop worked together to help clean up one of the areas in Pilcher Park to earn their annual Conservation Good Turn Patch for this year.

The Arbury Hills Baseball League will have its opening day festivities this year on May 21. There will be a parade and abbreviated games played, the good Lord and the weatherman permitting. Come on out and watch the fun. The chairman of opening day this year is Pete Carraras.

The Cub Scouts of Pack No. 10 of Arbury Hills held their April pack meeting at the school. The theme for the evening was Cub Scout Olympics.

There were three categories with three brackets in each category. In the Basketball Throw the winners at eight years old were: 1. Scott Hoffman, 2. Jimmy Ott and 3. Kevin Erkmann; at nine years old: 1. Dan Louis, 2. Gary Tosi and 3. Steve McVicar; at ten years old: 1. Bill Ferro, 2. James Dolan and 3. Dave Hendrickson.

The Broad Jump the winners were, at eight years old: 1. Scott Hoffman, 2. Ken Mansell and 3. Keith Noble; at nine years old were: 1. Gary Tosi, 2. Dan Louis and 3. Kevin White; at ten years old were: 1. Bernie Myder, 2. Dave Hendrickson and 3. Mark Henderson.

The Shot Put winners were, at eight years old: 1. Keith Noble, 2. Ken Mansell and 3. Kevin Erkmann; at nine years old were: 1. Bill Novota, 2. Rich Neumayer and 3. Kevin White; at ten years old were: 1. Bob Mansell, 2. Mark Henderson and 3. Bob Howard.

Cub Scout Den No. 1, Ken Mansell, Robbie King, Kevin Erkmann, Jamie Schaffer, Mike Dolan, Jimmy Ott and Tod Caplinger went to the nursing home in Frankfort called Lexington House with their two Den Mothers, Mrs. Evelyn King and Mrs. Lorry Louis, and presented the senior citizens residents with flower arrangements for their rooms. The boys had made them in their den meetings.

A tour through the Fisher Body Plant near La Grange, Ill. is being planned for the near future.

The First Nighters held their May meeting at the home of Mrs. Gloria DeVries on Crabapple Lane last week. The winner of the hostesses prize was Marie Hovi, and the next meeting of the group will be held at the home of Mrs. Robert Jacobs on Beechnut Drive on Thursday evening, June 1.

The Cub Scouts will have their May pack meeting at the school on Monday evening, May 22, beginning at 7:30 p.m. The theme will be circus.

Prestwick

MICHAEL J. FLYNN
815-469-5617

The annual meeting of the Prestwick Homeowners Association will be held at 8:00 P.M. on Tuesday May 9, 1972 in the club house. The purpose of the meeting

will be to elect new officers and directors for the 1972/73 year and to discuss general business of the association. This is the first general meeting of the association in one year.

Will County Sheriffs Police, Tinley Park Police and Illinois State Police created a little stir in our area last Saturday. Dep. Sheriff James Costello was dispatched by his office to Prestwick on a complaint involving speeding and loud motorcycle riders. Upon the squads arrival, the cyclists had left so the deputy proceeded to stop the mini-bike riders on the roads to tell them that it was illegal for them to ride their bikes on county roads. While doing this, Deputy Costello noticed three young men in a car acting suspiciously. He radioed their license number for a check which showed the car stolen. A short chase ensued with the vehicle being stopped in the club parking area. The three young men were taken into custody. Identification showed that all of them were from the far north side of Chicago.

Will County Police and Illinois State Police responded quickly to our needs. This is their responsibility. The arrival of two police cars from Tinley Park was a very pleasant surprise. We are most appreciative of their concern for our area and their quick response to a call for help.

Karlene and Don Booty of Durham Drive just returned from a weeks vacation in Montego Bay, Jamaica. They managed to escape our continuing cold spell by going to the warm lands of the caribbean. How was the trip MON!

Michael J. Flynn of Maple Court was recently elected to the Board of Directors of the Fox/DesPlaines Valley Chapter of the Muscular Dystrophy Association of America. The chapter covers five counties including Will County.

The Presidents Inaugural Ball is scheduled for May 20. Be sure to get your reservations in for this annual fun-time event. Black tie is optional. The \$25.00 per couple tab includes a real delectable meal: Chateaubriand, tossed salad, Croquette Potatoes, shrimp cocktail, and strawberries romanoff plus six drinks per couple. Its a members only event honoring Ray Duesing, President of the Sports and Pastimes Club.

New Lenox

By Dolores Anderson
815-485-2365

Grace Episcopal Church will hold its first Mother-Daughter-Corporate-Communion and Banquet at the church on Thursday, May 11, which is Ascension Day. Mothers and Daughters will gather at the church at 6 p.m. to celebrate the Holy Eucharist together and afterward will enjoy the Mother-Daughter Banquet.

Mrs. Virginia Elwood is a patient at Rush - Presbyterian - St. Lukes Hospital, Chicago; Michael Coleman at St. James Hospital, Chicago Heights; and Mrs. Virginia Fox, at the Michael Reese Hospital, Chicago.

The New Lenox Sportsmans Club Auxiliary will hold its final meeting of the season on Wednesday, May 17 at the home of Mrs. Gladys Bergstrom, 1053 Glenwood, Joliet. Mrs. Betty Fredericks will be her co-hostess. The recent bakery sale was a huge success.

Boy Scout troop 6 will meet Thursday, May 11 at 7:30 in United Methodist Church.

The New Lenox Volunteer Fire department will meet Thursday night, May 11 at 8 o'clock at the fire station for their regular meeting.

VFW Post 9545 will meet Monday night, May 15 at 8 o'clock at the Post home, 323 Old Hickory road.

The New Lenox Grade School Bands, under the direction of Thomas Goodwin, will present the 27th annual Spring Concert May 16 at 7:30 p.m. in the Joliet Central High School auditorium. The fifth grade, stage, concert and honors bands will be participating. Tickets are adults \$1.00 and for children, 50c and will be sold by band members or may be purchased at the door the night of the concert.

Members of the Home-Art club will meet Wednesday, May 17 for their annual Banquet at the Red Lion, Steger. Cars will leave the home of Mrs. Evelyn Zeigler, Prairie road at 10:30 a.m.

Members of the Home Study Group will meet at 8 p.m. Tuesday night, May 16 at the home of Mrs. Wilma Smith, Poplar Drive. Mrs. Irene Cherven a member of the group will demonstrate cake decorating. Various members will bring cakes to decorate.

Lincoln Estates

By Frieda Wille

Mr. and Mrs. Emereth Boyden spent the weekend in Fort Wayne, Ind., where he played organ music for the Tri-State Knight Templar Festival which was held in the Scottish Rite Cathedral of that city. Following the ceremonies, dinner was served to about 1400 Masons and friends from many states.

The feature of the evening was the after dinner talk which was given by Mrs. Shirley Temple Black. This gifted and versatile young woman, whom the whole world knows and loves, showed an amazing grasp of international affairs and problems. Afterwards, a reception was held in her honor in the Marriot Hotel.

Mr. and Mrs. George Kaehler, together with the other members of their social club had dinner at the "Crazy Horse" restaurant on Saturday evening. After dinner they returned to the home of Mr. and Mrs. Robert Hanson, Oak Lawn, for the rest of the evening.

Mr. and Mrs. Dennis Wheeler were dinner guests in the home of the former's parents, Mr. and Mrs. Robert Wheeler, on Saturday evening, at 151st & Central.

Mr. and Mrs. Hugh Stipan are the parents of a baby girl born on Wednesday, May 2, at Christ Community Hospital. She has been named Amy Patricia. Mother and baby will be welcomed home by Naomi, Jennifer and Emily.

The Christian Unity Softball league held a managers' meeting on Tuesday evening at the Ann Rutledge school. The league will hold their second tryouts at the Frankfort park on diamond "B" on Saturday, May 13 between 1 and 4 p.m. All boys and girls between the ages of 8 and 16 are welcome to join. They are also trying to form a woman's softball league. All women over 16 who are interested can call Mrs. Ray Albright at 469-5116. More managers

are also needed. If anyone is interested please call Gene Banaszak at 469-2682. The next managers' meeting will be held on Tuesday evening, May 16 at 7:30 p.m. Meetings are held at the Ann Rutledge school.

Kindergarten registrations were held at the Ann Rutledge school last week. There were 22 children registered at this time. The annual science fair was held at Ann Rutledge on Thursday, April 27. All the fifth and sixth grade students took part as well as some from the third and fourth grades. The winners in the sixth grade were: 1st place Pam Liston and Kim Gausman, 2nd place Marcie Albright and Diane Blaauw, 3rd place Bonnie Harms and Diane Castens. In the fifth grade the winners were: 1st place - Terri Newton and Judy Lovelock, 2nd place - David Banaszak and 3rd place - Sandy Banaszak. In the 3rd and 4th grade the winners were: 1st place - Gregg Bluth and Ronnie Albright, 2nd place - Linda Bechtel and Kathy Black and 3rd place - Joanne Fields. The judges were Miss Mary Jo Williams, science teacher at the Arbury Hills school, Mark Crouch, principal of Arbury Hills and James Crem, sixth grade teacher at St. Anthony's school, Chicago.

The next early dismissal day at the Ann Rutledge school will be on Monday, May 15. School will be dismissed at 2:45 p.m. The next Parent Workshop will be held Monday evening, May 15 at 8 p.m. The Summit Hills board of education will have their next meeting on Wednesday evening, May 24. These are open meetings and the public is welcome to attend.

On Saturday, May 13 there will be an election for an increase in the educational tax rate and a Bond referendum. The educational tax rate would increase 25c per \$100. of assessed valuation. The bond referendum is for \$745,000. for building and maintenance expenses. Persons living north of St. Francis road will vote at the Arbury Hills school and south of St. Francis will vote at Ann Rutledge. The polls will be open from 12 to 7 p.m. at both schools. Absentee ballots may be obtained at the School District Office, Arbury Hills school, Beechnut and Magnolia Street, Mokena, Ill. Written application must be received no later than May 8 and in person by May 10.

Folkers honored by Bar association

FRANKFORT — Herbert P. Folkers, resident and native of Frankfort, was one of three attorneys honored by the Will County Bar Association for their 50th anniversaries as practicing lawyers.

The other two were Melville A. Gray and Francis J. Loughran, both of Joliet. All three began the practice of law in 1922.

Mrs. Folkers, the former Leila Bettenhausen, was unable to attend the affair because of illness. She is in Presbyterian-St. Luke's Hospital, Chicago, where she underwent surgery.

Two of the sons, Frank Folkers, a teacher at Sullivan High School, Skokie, and Herbert P. Jr., who operates the Daddle Horse Stables and Farms in Frankfort Township, were the speakers for their father.

Other members of the family attending were a daughter, Mrs. Janet Workman, of Tinley Park, and Mrs. Herbert P. Folkers Jr. There is another son, George, of Louisville, Pa., a professor at Bucknell University. He was unable to attend the function.

Sandburg loses fourth straight

By Dave Lumley

ORLAND PARK — The baseball Eagles of Carl Sandburg who jumped off to a great 5-2 record in conference were handed their fourth straight loss last week by conference leader Reavis, 5-3.

The loss dropped Sandburg's record to 5-6 and pitcher's Tom Ormsby's to 1-2. The Eagles jumped off to a 2-1 lead when Jim Koranda doubled and scored on a throwing error by Ram second basemen Jeff Mahl.

Joe Kesson then singled and went to second on a wild pitch. Jim Harding then came through with a RBI basehit to put Sandburg ahead.

Sandburg had a chance to score again in the next inning when Koranda doubled. Bill Nelson however missed an attempted bunt and the Ram catcher caught Koranda in a rundown.

Sandburg's other run was scored when Kesson doubled to centerfield and scored on an error by the rightfielder.

Tom Ormsby ran into control problems, however, and walked the bases full. Jeff Mahl then ripped a liner to rightfield for two RBI's and a 4-3 Reavis lead.

Earlier in the week the Eagles dropped three straight one-run losses in extra innings. Sandburg lost to Rich East 2-1 in eight innings, to Oak Lawn 5-4 in 11 innings, and to Lincoln-Way 3-2 in 12 innings. In all three of these games the Eagles had the lead and had beaten these same teams the first time around.

Sandburg's main problem according to head coach Ron Mellen is the lack of hitting. "We have an average of eight strikeouts a game and 108 in just 11 games, if you're at least making contact you have a chance but if you're striking out it's tough," said Mellen.

Top players on the Eagle roster this year are hitters John Miles and Crane D'Loughy and hurlers Jeff King and Bill Edwards.

Miles, a senior, is leading the team in seven departments; at bats, runs scored, hits, stolen bases, average, on base percentage and putouts by an outfielder. Miles has a .359 average and a .419 on base percentage in addition to his 14 putouts, including seven in one game.

D'Loughy tops the club in triplets with two and boasts a .310 average. D'Loughy is only a junior and plays second base. Junior southpaw hurler Jeff King shows a 3-1 record with a lowly 1.05 earned run

average. King has thrown 20 innings striking out 18 and walked only three. He also is hitting .305 in 19 trips to the plate. Senior flamethrower Bill Edwards posts a fine 1.68 E.R.A. and has struck out 22 batters in the 25 innings he has worked. Edwards has a "tough-luck" 1-2 record.

Eagle golfers beaten twice

ORLAND PARK — The veteran Eagle Golf team ran into some tough competition the last week and dropped their first two matches of the season. Early in the week the Eagles lost to arch-rival Homewood-Flossmoor, traditionally a southwest powerhouse.

In losing the Eagles just about lost all chances of winning the conference title. With one conference match remaining Sandburg stands at 5-1 and 6-2-1 overall. In a non-conference match Sandburg took it on the chin once again losing to Blue Island by six strokes.

Greg Green took medalist honors with a 38. Junior Ken Selvisvri was top man at Homewood with a 42.

Sandburg bounced back against Rich East on Thursday and rolled by the Rockets by 10 shots. Ray Kubis posted a 40 and Greg Green a 41.

Saturday Sandburg had a fine showing in the Big Run Invitational at Big Run country club.

More than 27 teams competed in the match, and the Eagles finished a high third place only seven strokes off the pace.

Hillcrest was the winner and Aurora East took a second. The Eagles finished ahead of Homewood in the invitational.

John MacIntosh was high for Sandburg with a 78 and was followed by Greg Green 80, Tom Frangella 81, and Ray Kubis 83.

Spartans beat Knights' again

LINCOLN-WAY — The Spartans jinx rolls on for the Lincoln-Way track team. For the third year in a row a Knight team unbeaten in dual meet competition has lost to Oak Lawn.

Thursday the Knights went into action with a 8-0 season mark. Two years ago Lincoln-Way was unbeaten when they faced Oak Lawn and lost by one point. Last year it was the same story with the Spartans winning by 10.

This year it was even more decisive as Oak Lawn rolled up a 71-56 decision. The Knights won five events, but their lack of depth was evident as Oak Lawn added enough second and thirds to come out the winner.

Lincoln-Way had a trio of double winners in Mark Maxwell, John Been and Terry Ryan.

Maxwell set a new area pole vault mark at 14-1. The state record is 15-0. Maxwell also won the long jump going 20-9. Been won the mile and two mile events. Been took the two mile in 9:42.6, and the mile in 4:29. Ryan won the high and low hurdles in times of 15.9 and :20.7.

Lee Erickson was a winner in the 880 in 1:56.0, and John Phillips won the shot in 56-1/4.

Lincoln-Way had warmed up for Oak Lawn with an easy 78-31 win over Rich Central. The Knights won 11 events. Ryan was a double winner in the hurdles and Phillips won the shot with a toss of 54-3.

Saturday the Knights competed in the Hinsdale Relays and placed third with 35 points behind Joliet West with 37 and champ, Lyons with 49 points.

Lincoln-Way had four individual winners paced by double winner Erickson who posted a new area and personal best in winning the mile in 4:22.5. Erickson also won the 880 in 1:56.6. Maxwell won the pole vault in 14-0, and Ryan was :14.5 in the High Hurdles.

Squeeze hunt provides key to Knights victory

LINCOLN-WAY — Baseball activity for Lincoln-Way ended with a win and a pair of losses by the Knights last week. All three of the games were Southwest Suburban games.

Lincoln-Way beat Sandburg 3-2 in a 12-innings. The Knights lost to Homewood, 10-6, and to Rich East, 8-3. Lincoln-Way is now 5-8 overall and 4-6 in league.

A squeeze bunt by Scott Mangun provided the winning run against Sandburg,

Bradley hands Titans 2nd loss

TINLEY PARK — The baseball Titans suffered their second conference loss Saturday, but remained tied for the lead with Rich in the Southeast Conference.

The Titans are now 10-2 in league play and 12-3 for the season. Rich has a 7-2 record, but both teams are tied for the top spot by virtue of having two losses.

The Titans split a league doubleheader with Bradley Saturday winning the first game 3-2 and losing the second 9-3. The first game went nine innings before the Titans could push across the winning run.

Tim Stone took the loss in the second game as the Titans got seven hits. Ed Neal had a triple.

Earlier in the week the Titans swept a home and home series with Crete winning 7-1, and 7-3. Jim Beacham posted

his fifth straight win in the first game. Darell Kimsey homered and drove in three runs.

In the second game of the series John O'Connell pitched a five hitter, and Vince Pignatello drove in four runs. Ed Neal had a four-for-four day.

New speed record

INDIANAPOLIS — Garry Bettenhausen, broke the 190-mile per hour barrier last weekend in the Indianapolis Motor Speedway during a practice session for the May 27 Indianapolis 500.

Bettenhausen had two clockings of over 190 mph in his Penske-McLaren. His lap times were 190.235 and 190.315 the fastest laps ever recorded during a May practice session.

Staff photo by Barry Bettenhausen

Did I make it? seems to be the question these girls have been mulling during softball tryouts held recently at Fulton School. The girls pictured are only a small number of the total who attended the tryouts from which teams will be formed for a girls softball league.

Streak ends at 23

Providence loses, 1-0

NEW LENOX — The Providence streak ended Saturday after 23 straight. Coach Tom Dedin who hadn't seen his baseball team meet defeat since April 6 watched as the Celts split a doubleheader with Kankakee and struckout 10.

Eastridge won the first game 1-0, but the Celts rebounded to start a new streak with a 3-2 win in the second game Providence is now 24-2 for the season.

A couple of hits and an error proved costly to Providence in the seventh inning when the Raiders got the games only run. Jeff Scott threw a three-hitter for Kankakee and struckout 10.

Larry Lee, the Celts' number two pitcher gave up only five hits and fanned five suffering his first loss in four attempts this season.

In the second game Kankakee jumped out to a 2-0 first inning lead but the Celts rallied to win. Rich Baranak slugged a game winning homer in the second game, as the Celts picked up six hits to seven for Kankakee.

The Kankakee games culminated a six games in three days period of action

for the Celts who played three consecutive doubleheaders.

Providence posted wins 22 and 23 Friday in a Private League twin bill against Luther North. The Celts won 5-4 and 4-0.

In a doubleheader with Timothy Christian the Celts ran wild stealing 18 bases, which more than compensated for their

lack of hitting in a 3-0 and 2-0 wins.

The week started out with the Celts jumping out to a 6-0 lead against Joliet Catholic. Butch Markelz, the teams leading pitcher suddenly found himself in trouble as he allowed Joliet to tie the score. Markelz won the ball game with a homer in a 20-mile per hour win as Providence won 7-6.

Tennis, golf districts set

SOUTHWEST — District competition in golf and tennis will be held this week-end at district sites throughout the state.

Tinley Park will compete in the eight team tennis district at Thornridge High School Saturday. Teams in the district are: Tinley Park, Fractional North, Hillcrest, Homewood, Illiana Christian, Thornton Fractional South and Thornwood.

Sandburg will compete in the Lyons District. Teams with Sandburg are: Argo, Reavis, Lyons, Oak Lawn, Richards, Chicago Christian, and Stagg.

The first and second singles and doubles

winners in each district advance to the state finals May 26-27 at the University of Illinois, Champaign.

Area Golfers will compete in the Lemont district this Friday, May 12. Teams in the Lemont district are: Tinley Park, Sandburg, Lincoln-Way, Providence, Hillcrest, Joliet Catholic, Joliet Central, Joliet East, Joliet West, Lockport, Lemont, Romeoville, Chicago Christian, Stagg and Plainfield.

The first three teams and the first three individuals will advance to the Sandburg Section, May 20 at Silver Lake Country Club.

Bengals just miss a victory

OAK FOREST — The Oak Forest baseball team, weather permitting, took on its first varsity team yesterday. Oak Forest is only a two year school and the Bengals have been playing sophomore teams this season. Coach Bob Miller, however has entered his soph in district competition this season and the Bengals were slated to take on Tinley Park in first round action in the Rich Central district in Olympia Fields.

Oak Forest almost pulled out a win last week in losing to Richards 4-3. The Bengals were hitless and trailing 4-0 going into the last inning against Richards.

More sports page 13

With one out Mark Rapinchuk broke the no-hitter with a single, and Kevin Newquist followed with a single. Tom Donohue walked to load the bases and Mike Wunderlick walked to force in a run. Nick Renna singled home a run, and while Richards was trying to get Renna in a run down between first and second Donohue raced home, and Renna made it safely to second.

Doug Olomon grounded out and Renna was again trapped in a run down between second and third, and this time was tagged out for the final out. Oak Forest is now 3-3 for the season.

Tough decision

Little league baseball officially got under way in Tinley Park Saturday as opening day ceremonies were held at Memorial Park. Mayor John Dunne threw out the first ball to start the action. Three games got the season started as the Major Cubs beat the Indians 8-5. In Minor league openers the Cubs beat the Dodgers 8-7 and the Sox stopped the Twins, 10-5.

Sports Shorts

ORLAND PARK — The Carl Sandburg racket men finished the week on a down note dropping meets to Bloom and Joliet West by scores of 3-2 and 4-1.

The Eagles nipped Reavis 3-2 before skidding to Bloom and Joliet West. The single competitors of Paul VanHenkulum, Mario Molina, and Bill Rehr were victorious against the Rams. Van Henkulum and Rehr were the point producers against Bloom.

The Eagle tennis squad carried a 5-8 overall record into this weeks action against Richards on Monday, Homewood-Flossmoor last night, and Rich Central tonight at Sandburg. Homewood presently boasts a 10-0 record and are considered contenders for the state title.

TINLEY PARK — The Tinley Park track team lost twice last week but the Titans still had their share of winners. Tinley lost to Crete 65-62, and to Hillcrest 81-44.

Tom Kunzer was a double winner against Crete. Kunzer won the high hurdles in :16.3 and low in :23.9, and also won the long jump. Dave Krause ran a winning :53.7 in the 440, and Mike Meloy tossed the shot 47-11. The mile relay team also won.

Against Hillcrest Kunzer won the highs in :16.0 and the lows in :21.1 John

Bogdon won the 440 in :55.0 and Meloy set a school Mark in the shot at 49-10 1/2. Meloy also won the discus with 133-10. Krause won the long jump at 18-8.

NEW LENOX — George Peterson led the way to a pair of golf wins for Providence last week. Peterson fired a 35 as The Celts beat Joliet East 166-170. Rich Dobyek shot a 42 and Paul Susner a 44.

Peterson shot a 37 in a 171-186 win over Peotone. Bob Dalpos was next with a 43 followed by Susner with a 45.

Joliet Central topped the Celts 173-174. Peterson agains headed the field with a 39. Dobyek and Bob Palto shot 43's for the Celts.

NEW LENOX — Mickey Bontemps paced the Providence in action last week. Bontemps was a double winner in a triangular meet with Lockport and Lemont won by Providence.

The Celts scored 63 points to 51 for Lockport and 45 for Lemont. Bontemps won the 100-yard dash in :10.7 and the 220 in :23.6.

At the Lisle Invitational Providence was eight with 23 points Bontemps was second in the 220 in :23.6. The Only winners for the Celts was the 880 relay team in 1:36.6.

Off the blotter

Knife wielding thief takes woman's car

Orland Park
April 28 — Mrs. Pam Bailey, 9645 W. 143rd St., reported her car stolen at knifepoint by a male whom she had picked up to give a ride. The man put Mrs. Bailey out of the car at LaGrange Road and 143rd Street. The car has since been recovered abandoned.

Mrs. Bailey has identified a suspect and warrants have been issued for aggravated assault and grand theft. Bond is set at \$30,000. Sgt. Don Smith of the Orland Park police followed the investigation.

May 1 — Window frames valued at \$1,200 were stolen from buildings under construction at Silver Lake West subdivision. In a second complaint the subdivider reported \$175 damage done to installed windows.

May 2 — Andrew Corporation reported \$40 worth of shrubs dug up and removed from its grounds.

May 2 — Two ponys running loose at Huntington Court and Hopkins were tied to a post to await the dog warden. The owner was located living at 159th Street.

May 3 — A radio and electric heater was taken from a backyard shack owned by Shane Baker, 15027 Hale Drive.

May 3 — David Janic, 18, was charged with attempted burglary. Janic was apprehended with a seven-inch knife trying to jimmy a door in St. Michael School.

May 4 — Estimated damage of \$100 was done to the car of Steven Dikens, 79th Avenue and Woodville, Frankfort, while it was parked at Fairway and Aspen Streets. Driver of the second car was unknown.

May 6 — Roxanne Novick, 9156 W. 144th Place, was bitten on the lip by a dog owned by Bay Anderson, 9144 W. 144th Place. The animal was impounded and the child treated at Palos Community Hospital.

Tinley Park

April 28 — Twenty-seven glass block windows were reported broken at Bert Fulton School, 6600 W. 171st St.

April 29 — Gas was taken from an auto at 17848 S. Ridgeland Ave.

April 29 — Fred Davison, 17659 S. Ridgeland Ave., reported 20-25 tapes missing from his car.

May 3 — A car battery was taken from a car owned by Charles Gambrell, 6512 W. 173rd St.

Tinley Fire, Emergency Calls

April 25 and 28 — Grass and rubbish fires were extinguished at 171st Street and Forest View Avenue.

April 28 — Units answered a call of a house full of smoke from an over heated toaster at 17624 S. 70th Ave.

May 4 — The department answered a call of an over-heated pump motor at 7011 W. 167th St.

May 4 — Grass and rubbish fires were answered at Gaynelle and 169th Street and at Oak Forest Avenue between Ridgeland Avenue and 167th Street.

Ambulance Calls

The following calls were serviced by Hickey and Vandenberg, Private Ambulance Service, Tinley Park.)

May 1 — Mrs. Phyllis Rinke, 6718 W. 174th Place, was transported to Silver Cross Hospital.

May 3 — Wayne Paker, 22251 Willow Tree, Sauk Village, suffered internal injuries after being involved in an auto accident at 1-80 west of Kedzie Avenue. He was taken to South Suburban Hospital for treatment.

May 5 — A Chicago Heights man suffered a sprained ankle and head injuries after falling at the Douglas-Dunhill parking lot, 6775 W. 174th St. Carmen Schulz, 440 W. 15th Pl., was taken to South Suburban Hospital.

Mokena Fire Calls

MOKENA — On May 4 a grass fire was extinguished along the Rock Island tracks, northeast of the 191st Street crossing.

Service News

Airman Lee R. Parks, son of Mr. and Mrs. Alvin J. Parks, 16827 S. Oak Park Ave., recently completed U.S. Air Force basic training at the Air Training Command's Lackland AFB. He has been assigned to Keesler AFB, Miss., for training in communications-electronics systems. He attended Tinley Park High School.

Airman Paul M. Beneventi, son of Mr. and Mrs. J. Beneventi, 15209 S. Oak Road, Oak Forest, recently graduated at Sheppard AFB, Tex., from the technical training course for U.S. Air Force aircraft mechanics.

He is being assigned to his Illinois Air National Guard unit at O'Hare International Airport.

Child Care

UNLICENSED FACILITIES CAN'T BE ADVERTISED!

According to the Child Care Act of 1969 it is against the law to care for an unrelated child or children in your home on a regular basis unless that home is licensed by the State of Illinois.

It is also illegal to advertise such service in an unlicensed home.

These licenses are issued free to homes meeting minimum standards for the safety, health and well-being of the child.

FOR INFORMATION AND LICENSING, CONTACT:

Illinois Department of Children and Family Services

YOU are and always will be a wonderful Mother and Grandmother & we love you very much.
Butch, Phyllis & Missy

TO someone special, a Happy Birthday, Mother dear. I love you. It's a perfect time to wish you a day that's simply wonderful for sending the wish to you a happy day and year all thru. May God Bless you always.
Your Son, William & Pets

Whether you're near or far away, Have A Happy Mother's Day.
Love, Bob, Catherine, Bill & Pat

TO VIV, the dearest and sweetest wife a man could ever have. I love you.
Dick

WITH love and best wishes from all of us on Mother's Day.
Luella, Frank & Family

HAPPY MOTHER'S DAY to a sweet, kind and generous Mother. All our love and wishes.
Dick, Viv, Rick.

Put a smile on a happy heart and have yourself a fling
'Cause the day for moms to perk with pride is here again this Spring.
Happy Mother's Day

Lena
As a mother you're not new, But as a wife you are true. These words of only a few Are, Lena, I Love You.
Happy Mother's Day

Dear Mom: May you have continued health and happiness in years to come. Love, Noble

You are very dear to all of us.
Happy Mother's Day.
Henry David Barbara Billy

A little message of Love to a very special mother we're thinking of.
Love,
Jim, Rose and boys.

To Grandma:
No calories in this candy box; it's filled with love!

Love, Sue and Rob
Dear Mom & Grandma: Don't say it often enough, it's true, believe us, Mom, We Love You. Happy Mother's Day.
Love, Steve, Connie and Tiger

Dear Grandma: You're wonderful and beautiful AND we love you. Have a Happy-Day.
Love, Ken & Kathy

I May Not Always show it, but I hope you always know it: "I Love You." Happy Mother's Day.
Joan

I'd even drive 2,000 miles to spend a weekend with you!
All my love. John

**ORDINANCE NO. 287**

AN ORDINANCE ESTABLISHING CENTRAL SERVICE CHARGES FOR THE CONNECTION AND USE OF THE SEWERAGE SYSTEM OF THE VILLAGE OF NEW LENOX, WILL COUNTY, ILLINOIS, AND AMENDING ORDINANCE NO. 173.

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF NEW LENOX, WILL COUNTY, ILLINOIS, AS FOLLOWS:

SECTION I: That Section 1 of Ordinance No. 173 be and the same is hereby amended to read as follows:

"SECTION I: Any person, firm, corporation association, club, partnership, or any other organization prior to making any connection to the sanitary sewerage system of the Village of New Lenox, shall, upon proper application to the Village Clerk, or any other person from time to time designated by the Board of Trustees of the Village of New Lenox, pay unto the Village a central service charge for each such connection in amounts as set forth in the following schedule, to-wit:

- (a) **Single-family residential units -**
\$500.00 per single-family residential building.
- (b) **Apartments and multiple-family dwelling units -**
\$500.00 for the first residential unit,
\$400.00 for the second residential unit,
\$300.00 for the third residential unit, and
\$250.00 for each additional residential unit in excess of three.
- (c) **Motels -** \$125.00 per room
- (d) **Commercial and industrial buildings -**
Such sum as the Board of Trustees of the Village of New Lenox shall from time to time designate by ordinance or resolution, the same to be reasonably related to the intended use of such property, in no event, however, shall such sum be less than \$1,500.00 per acre."

SECTION II: That all ordinances or parts of ordinances inconsistent or in conflict with any of the provisions of this ordinance be and the same are hereby repealed.

SECTION III: That this Ordinance shall be in full force and effect from and after its passage, approval, and publication as provided by law.

Local men organizing Rotary club

ORLAND PARK/TINLEY PARK — A group of local Orland and Tinley Park business and professional leaders, along with members of the Oak Lawn Rotary are organizing a new Rotary Club which will serve the greater Southwest Area.

Rotary International employs no field men to organize new clubs, it is, therefore, the responsibility of a Rotary club in nearby communities to accept the challenge and responsibility.

Since Rotarians are welcome at meetings of all Rotary clubs throughout the world, it is expected that the new club of Orland Park will often have visiting Rotarians at its meetings. There are Rotary clubs in Blue Island, Evergreen Park, as well as, Oak Lawn.

Rotary was defined by A. Thomas Maras, President of Allied Homes, Inc. and one of the organizers of the new Orland Park Rotary Club, as a "world fellowship of business and professional men united in the Rotary ideal of service, which is thoughtfulness of and helpfulness to others."

"Members of Rotary clubs," Maras continued, "put their motto 'Service Above Self' to work in all of their daily business, social and civic contacts by placing the obligation to serve others before the desire for profit for themselves. By selecting its memberships from each recognized business and profession in the community, a Rotary club becomes a cross-section of the total community."

Officers of the new Orland Park club are as follows: President Elect, Terry Kunes, President Terry's Lincoln Mercury; Secretary, Carol Bateman, Vice President Gee Lumber; Treasurer, Ed Schuetz, Jr., Co-owner Mr. Ed's Supermarket; Sergeant of Arms, Dick Coghill, Manager Silver Lakes Country Club.

Kimberly kids hold songfest

TINLEY PARK — The children of Kimberly Heights School will present the annual "Spring Sing" in the school auditorium Friday, May 12 at 1:45 P.M.

Mrs. Christine Westerfield, director of elementary music for the Arbor Park School District 145 said, "we have borrowed the Walt Disney 'Small World' concept for our show and will use 'A Small World' as the theme song. Each class will represent a different country and will sing folk songs of that country."

Mrs. Lillian Woodyatt's first year, representing the United States will sing a cowboy song, an Indian song and the famous "Simple Gifts."

Mrs. Ann Marie Lucacek's first year will represent Mexico with sombreros, tambourines and maracas as they sing "Chienepecas" and "La Cucaracha."

A German band selected from Mrs. Judith Dahl's second year group will be heard in "We Are Good Musicians." The entire class will sing the beloved "Edelweiss" from Sound of Music.

The other second year group will perform French songs including "Sur Le Pont D'Avignon" and "Bon Soir Mes Amis."

Third year children have selected Songs of the Islands and Japan, both of which should be very exciting and colorful.

Mrs. Ann Liddle's fourth year will present Russian songs, "Petrushka," "Raspberries" and "Chestnut Leaves."

As a grand finale all of the children will combine in "It's a Small World." It is hoped that all of the family and friends of the children will attend the performance.

Village hires new 'trouble shooter'

NEW LENOX — An administrative assistant, who will succeed Roy Dowle, who resigned the post last February, has been hired by the New Lenox village board on the recommendation of Trustees James H. Warning and Lutz M. Guenther, who served as a committee to screen applicants.

The new man is Donald Azukasm, 36, of Worth, now a personnel manager for a Chicago firm. He will assume the duties of the office in about 30 days, Warning said. Azukasm holds a master's degree in industrial relations. Fifty-three applicants for the position were screened, Warning reported. Salary for the post is \$12,000.

The administrative assistant is a trouble-shooter for the village and the population. Residents with problems can bring them to him and get attention, and he can also take care of problems for the village board. In all of the smaller communities village officials are working people and in many instances their place of work or business is in another place so it is difficult for anyone with a problem to get in touch with them.

Oak Forest TB unit

OAK FOREST — The City of Oak Forest has announced that there will be a TB Chest X-Ray Unit in front of the municipal building on Thursday, June 22, 1972 from noon until 7 p.m.

The unit will be available to all local residents for free chest X-Rays to all interested citizens.

Local residents are encouraged to mark their calendars and take advantage of this health facility which is being provided at that time.

Scott Christopher

Tinley scout top salesman

TINLEY PARK — Scott Christopher, of Scout Troop 355 in Tinley Park, was recently awarded a camera for selling 50 tickets to the Calumet Council Great Show held April 22-23 at the Lake County Indiana Fairgrounds. The presentation was made by Bill Heiden, Lone Pine District ticket chairman.

Scott already has won a council patch, neckerchief slide and a belt loop.

Consumer protection speaker at school

OAK FOREST — Joseph E. Anderson, Assistant to the Chief of the Consumer Fraud Division of the State of Illinois, will be a guest speaker at the Oak Forest High School Social Science Seminar May 16.

The Consumer Fraud and Protection Division is an agency which operates under the attorney general of the State of Illinois.

Ray Grazulis, chairman of the social studies department at Oak Forest High School, expressed appreciation for the prompt response for the request for a speaker from the attorney generals office.

Adults are welcome to attend this meeting which starts at 4 p.m. in the Learning Center of Oak Forest High School.

Scarlet Oaks spring sing set

OAK FORJST — The children of Scarlet Oak School will present the annual "Spring Sing" in the school auditorium Tuesday, May 16 at 1:30 P.M.

Mrs. Christine Westerfield, director of elementary music for the Arbor Park School District 145 says, "we have borrowed the Walt Disney 'Small World' concept for our show and will use 'A Small World' as the theme song. Each class will represent a different country and will sing folk songs of that country."

Mrs. Alice Tomko's first year, representing the United States, will dramatize "Mr. Frog Went A-Courtin."

Mrs. Mary Hasse's first year will be "Space Explorers" and use their Carl Orff instruments to accompany "Star-Bright, Star-Light" and "Space Ship."

Mrs. Joyce Smith's first year children are practicing Scandanavian songs plus a Swedish clap dance.

Second year children of Miss Irene Shanker will be a German Band and will sing the beloved "Edelweiss" from Sound of Music.

Mrs. Diane Zimmerman's second year group chose to be Mexicans and have learned a Spanish Counting Sing plus the

popular "Chienepecas" and "La Cucaracha."

The second year children of Mrs. Cynthia Muhich have been studying French in the classroom and so their songs will be from France, "Sur Le Pont D'Avignon," "Bon Soir Mes Amis" and "Little Robin."

Third year children have selected the Middle East and Italy. Mrs. Patricia Sarantopolous is teaching her boys and girls an authentic Grecian dance and Miss Karen Kaiser's class may be heard jingling tambourines and rehearsing "Funiculi, Funicula."

June 1 is scholarship application deadline

CHICAGO — Illinois youth wishing to enroll in a public or private college in this state during the 1972-73 academic year have until June 1, 1972 to apply for financial assistance from the Illinois State Scholarship Commission (ISSC) through its Monetary Award Program. The Commission provides awards of up to \$1200 per year toward the tuition and fee expenses of citizens who enroll at any of the 175 approved colleges, universities, and hospital schools of nursing within the state.

The awards are based primarily upon need, and are renewable through four years of undergraduate study. In the coming

Mrs. Caren Hack's children of the fourth year are to present Songs of the Islands, including "Happy Talk" from South Pacific.

Of particular interest is the Japanese theme of the fourth year class of Mrs. Rosalie Lipari. A dramatization of "Sakura" is in rehearsal.

The finale, featuring "I'd Like to Teach the World to Sing" and "It's a Small World" will be sung by all of the children. It is hoped that all of the family and friends of the children will attend the performance.

Soapbox registration

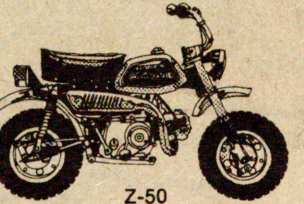

OAK FOREST — Registration is still possible for this year's Soapbox Derby, sponsored by Jack O'Donnell Chevrolet and the Oak Forest Jaycees. Anyone interested can register with Tom Bardusk at 687-4302.

Thirty-two boys and girls already registered for this year's event are selling decals to raise funds. The decorative decals cost \$1.00.

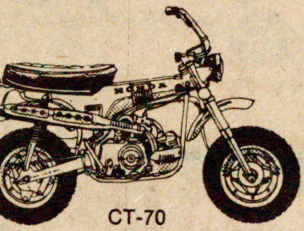

Small buy. Big fun.

QA-50

Z-50

CT-70

Great deal.

Buy a new Honda QA-50 or Mini Trail® 50 for the kids, or a CT-70 for yourself, and get a free long-sleeve, nylon Honda racing jersey. And the big fun of off-road riding. Don't delay. Come in now. Offer ends July 1st.

Library offers crafts books

ORLAND PARK — "But I can't draw a straight line with a ruler." You must have heard this plea many times. And with those people in mind, Jerry Warshaw has put together The I Can't Draw Book. By using basic forms such as a person's hand or the shadow that is cast by objects, he begins his figures. With only a felt marker and his vivid imagination, the reader can learn to draw — even those who say "But I can't draw."

For those who profess the interest and bit of talent, Lee J. Ames' Draw Draw Draw gives very basic information on proportion in art, the human face,

making figures move and the structure of animals. Included is a section on landscapes. The three-dimensional approach to the arts and crafts is covered in Soap Sculpture by Lester Gaba. Using a bar of soap and a paring knife, the reader is led through the various steps; making the outline, blocking away unwanted parts and rounding out the details. As the student becomes more skillful, special tools and processes may be added to make a more colorful and decorative item. Switching from soap to wood, Elsie Hanauer has written The Art of Whittling and Woodcarving. She traces the various steps that should be used to create a successful

objet d'art. In addition, the types of wood, tools and their care, and finishes to use are also discussed. Pages from this book can serve as models for patterns of various popular subjects of woodcarvings. In contrast to the above specialized books, various volumes cover many different areas of the crafts. McCall's Book of Paper, Wood and Paint Crafts serves as a guide for gifts and toys that children can make alone or with some help from an adult. Tina Lee's book Things to Do emphasizes the use of everyday household items to create gifts and objects made by the child alone.

Good scout

Melvin Doogan, mayor of Orland Park, holds award recently presented to him for helping find a regular meeting place for Scout Troop 368, and for his help and cooperation in scouting activities for many years. Standing with Mayor Doogan are Edward Andrew, left and Art Poston.

Unincorporated area residents protest fee

SOUTHWEST — Residents of unincorporated Cook County will have to decide soon whether to obey an unpopular law and buy the new county vehicle stickers. The deadline for display of the stickers has been extended from May 15 to June 1. At the same time, hearings are scheduled to begin today in a class action suit challenging the constitutionality of the sticker ordinance. Many residents are believed to be waiting for the outcome of the case before purchasing their stickers.

Unincorporated subdivisions in our area include Villa West, Fernway and Kimberly Heights.

The county board passed the vehicle tax on Dec. 30 of last year. It was imposed against owners of all vehicles only in unincorporated areas. The stickers are similar to the city fee for incorporated areas.

The sticker ordinance charges \$5 for motorcycles and from \$15 to \$95 for

trucks. The charge is \$10 for vehicles of 35 horsepower or less and \$15 for vehicles with more than 35 horsepower.

There are some 53,820 passenger cars registered in unincorporated areas of Cook County.

The sticker ordinance was immediately opposed by residents of unincorporated areas. Although only those areas must pay for the stickers, revenue from the wheel tax is to go into the general fund.

Thousands of persons from unincorporated areas in the northwest part of the county attended rallies opposing the new tax. A suit was filed in Cook County Circuit Court on April 5 in the name of the Prospect Heights Improvement Association. The suit was financed through contributions from homeowner groups and individuals in Elk Grove, Palatine, Schaumburg and Wheeling townships.

On April 28, Judge Raymond Sarnow ruled that the county must place the funds

received in payment for the stickers in a separate fund so that they could be returned in the event that the new ordinance is declared unconstitutional.

Judge Sarnow was originally expected to rule on the constitutionality today. However, attorneys for the homeowners are now expected to ask for additional time.

County Board President George Dunne allowed the extra two weeks to buy the stickers because it is a new law. Sheriff's police will issue warnings until June 1 and, after that, issue citations. Possible fines range from \$5 to \$100.

There is little chance of the case being resolved by June 1. It is expected that the losing side will appeal to the State Supreme Court.

In the meantime, citations can and will be issued for violation of the law. While the money paid for stickers will be returned if the law is overturned, money paid for having no sticker will not be returned.

Special Value Sale!

- Automatic choke on B & S engine. Com.
- Folding handle lets you store just about anywhere
- Fingertip clutching
- Left wheels recessed for close trimming
- Pow-R-Vac® mower housing gives you air-tunnel action to clear grass clippings out fast!

Synthetic fabrics are washable, but not indestructible. Be gentle, with an electric dryer.

Today's miracle fabrics can take a lot. But remember, they're still what the name says. Fabrics. That's when the gentleness of an electric dryer pays off. It's very, very gentle because it dries with a very gentle kind of heat. Radiant heat. That means it dries things the same nice way the sun does. Many models even have an electronic sensor inside the dryer door to make sure things never over-dry. That's really

important when it comes to permanent press. An electric dryer is as gentle as a dryer can be on today's miracle fabrics. Matter of fact, it's gentle on non-miracle fabrics, too.
